Dedication

Calvin and Marjorie Dodge

The Board of Selectmen has chosen to honor and dedicate the Annual Town Report to Calvin and Marjorie Dodge. Both Calvin and Marjorie have a rich history with the Damariscotta area. Calvin grew up in Newcastle and in his youth, worked for a contractor who built some of the prominent buildings in town. Marjorie grew up in Damariscotta on the Round Top Farm where her father, Winfield Cooper, was Head Dairy Herdsman back when it was a working dairy farm. They both attended Lincoln Academy. They met each other at the Baptist Church youth fellowship in Damariscotta and were married in 1961.

Marjorie worked the sales counter at Cooper's Red Barn Antiques, an auction and antique shop owned by her parents, until she and Calvin took over the business when Calvin retired from BIW. Marjorie is known for her knitting as well as many other talents.

Calvin served on the Damariscotta Budget Committee and served on the Board of Selectmen from 1968-1974. Calvin has given many lectures for local historical societies throughout Lincoln County and did regular speaking engagements with Huston Dodge to reminisce about life in Damariscotta in the last half of the 20th century. Lincoln Academy presented Calvin with the "Alumnus of the Year Award" in 2016 in recognition for his lifetime of significant accomplishments in his service to the larger community.

Calvin and Marjorie are both founding members of the Damariscotta Historical Society. They have written almost 500 articles about local history for the Lincoln County News. These are wonderful resources of history for all to enjoy.

Their son Robert, his wife Stephanie and their four grandchildren, Morgan, Rebecca, Jonathan and MacKenzie live in East Hartford, Connecticut.

The Board of Selectmen would like to thank Marjorie and Calvin for their ongoing service to the town of Damariscotta.

Board of Selectmen Annual Report

Greetings to the Citizens of Damariscotta,

On behalf of the Board of Selectmen, it is my privilege to inform you on the progress that the Board, Town Staff, and the various committees and numerous volunteers have made during this past year.

I thank my fellow Board members for their dedication to the many activities they participated in during the past year, and for the hard work and positive attitude of Town staff. They are to be commended for keeping the wheels running on a daily basis, and they do so professionally, courteously, and in a timely manner. Special thanks to Selectman George Parker who moved from Damariscotta prior to the end of his term. His many contributions to the Town, through his service as a Board member and his service on several Town committees, will be missed.

As in previous years, the Selectmen updated the Town's Action Plan at the beginning of the fiscal year, updating previous year's plans and revising based on new priorities. This planning document keeps the Town focused on accomplishing a wide range of activities to support the community.

The Town continues to make progress on many projects, from roadway improvements such as the Egypt Road culvert replacement and Elm Street sidewalks, to improvements in Riverside Park. Unfortunately, the Bristol Road sidewalk remains yet to be accomplished. The Maine Department of Transportation has set the project back another year, despite an aggressive campaign by area residents and requests from the Town that it be made a priority by the state.

The waterfront improvement project, begun in earnest last year, has grown by leaps and bounds. Riverside Park saw improvements last year and, working with the Twin Village Alliance, Town Manager Matt Lutkus has continued to gain the support of Village businesses and area donors for further improvements. The Town has received more than \$308,500 to implement improvements, including public restrooms in the Municipal parking lot and enhancement to the primary walkway from the parking lot to Main Street. These improvements were first envisioned in the Shore and Harbor Master Plan (2010). The Town thanks all who contributed funding for these improvements. Without their generosity, the improvements could not take place. Unfortunately, even after several floods in the municipal parking lot during the year, the Town's flood resiliency plans have not resulted in grant funding for improvements.

As a result of concerns expressed on proposed and current commercial development in Damariscotta, the Board of Selectmen empaneled a Planning Advisory Committee to review current land use ordinances with a view toward tightening up the language to be more reflective of the vision stated in Damariscotta's Comprehensive Plan. The Committee developed several recommendations that were accepted by the Board of Selectmen, and the Town's Land Use Committee has been working to integrate changes into the Town's ordinances.

FY 2017 Attendance Report

(As required by Town Charter)

Robin Mayer	22 of 24 Meetings
Ronn Orenstein	23 of 24 Meetings
George Parker	23 of 24 Meetings
James Cosgrove	24 of 24 Meetings
Mark Hagar	21 of 24 Meetings
Attendance recorded by Clerk's Office	

The Board of Selectmen thanks you, the residents of Damariscotta, for all of your input and insights during the past year. It is only through your interest in keeping the Town informed of your concerns and your support that we are able to address our community's needs.

Respectfully submitted,
ROBIN MAYER, Chairman

Town Clerk's Office

The Town Clerk's office is responsible for the recording and preservation of vital records such as births, marriages, and deaths. Issuing certified copies of these records along with making corrections, additions, and deletions are all completed by the Town Clerk's Office in accordance with the State of Maine Office of Vital Records. All new Vital Records are now accessed through the State of Maine Electronic Death Registration System (EDRS), Electronic Birth Registration System (EBRS) and Electronic Marriage Registration System (EMRS). These systems store all vital records electronically and have eliminated much of the need to store paper copies of such records in our town vault.

The Clerk's office is responsible for issuing dog, hunting and/or fishing, liquor, marriage, vending, and entertainment licenses. The responsibility of supervising all State and Municipal elections falls under the Clerk's office as well. Elections are held in the Municipal Building at 21 School Street, with polling hours from 8:00 a.m. until 8:00 p.m. These elections and annual and/or special town meetings could not happen without the generous help of our dedicated Damariscotta residents. I continue to call on the same community members time and time again, and they continue to assist us in maintaining the election process. I would like to **THANK YOU** all for your continuing support! You are the ones who make the elections possible! If you are interested in learning how you can assist with the elections, please contact me at the Town Office 563-5168 or mcameron@damariscottame.com

This past fiscal year the Town held the following elections with the following voter turnout:

<u>Date</u>	<u>Type of Election</u>	<u>Ballots Cast/Voter Turnout</u>
11/8/16	General/Referendum Election	1372
6/13/17	Annual Municipal Election	226
6/13/17	Referendum Election	226
6/14/17	Annual Town Meeting	48

Marriage Licenses: You need to fill out a marriage intention form in front of a Town Clerk or a Notary Public. However, BOTH applicants must sign the official license in the presence of the Town Clerk, before the license will be issued. If you are a Maine resident, you must file intentions in the municipality where at least one of you resides. Non-Maine residents may file intentions in any municipality.

Voter Registration: New residents may register to vote at any time during the year, even on Election Day! Proof of identity and residency is required at the time of registration. Damariscotta has a total of 1823 registered voters, 654-Democrats, 468-Republicans, 85-Green Independent, 3-Libertarian and 613-Unenrolled (formerly considered 'Independent').

Vehicle Registrations: Excise tax is required to be paid on all vehicles and most boats in the municipality in which you reside. These funds stay within your municipality. In order to re-register a vehicle, please bring current proof of insurance, your old registration and current mileage. To register a new vehicle purchased from a dealership you will need to bring the blue copy of the title application, proof of insurance, current mileage and proof that sales tax has been paid. (A brand new car will also require the window sticker from the dealership.) For a person-to-person purchase, you are required you to bring a bill of sale with the year, make, model, vehicle identification number, and dollar amount paid. If the car is a 1995 or newer, you must have the title from the previous owner, with the backside filled out. ***The State of Maine does not send reminder notices for renewal registrations.**

Boat Registration/ATV/Snowmobile Registration: Damariscotta processes new and renewal boat, ATV and snowmobile registrations. For "new-to-you" registrations, please bring in a bill of

sale listing the serial number, year, make, model and purchase price. For boat registrations, ME registration numbers are helpful if the boat was previously registered in Maine. Sales tax will be collected at time of registration unless purchased through a dealership. If purchased from a dealership, please bring proof of paid sales tax and bill of sale from the dealer. All boat registrations expire on December 31st and all snowmobile and ATV registrations expire on June 30th.

Dog Licenses: Please bring proof of current rabies vaccination at time of registration. If the dog is spayed or neutered, we will need to see spay or neutering certificate. Dog licenses expire every year on December 31st, and a late fee of \$25.00 is imposed as of February 1st. This is the State of Maine law and not something the Town is able to waive.

Hunting & Fishing Licenses: Maine residents: must be a resident for at least 3 months to obtain a resident license. New residents must provide proof of residency for both license purchases. For hunting licenses, Maine residents must provide proof of prior license or proof of completion of hunters' safety course. Any nonresident is eligible to purchase a nonresident hunting license once proof of prior license, hunter safety course completion is provided.

Liquor Licenses: The Damariscotta Board of Selectmen requires a public hearing on all new applications for liquor licenses. Applicants are required to pay an advertising fee and attend the public hearing. Renewal applications can be brought into the town office to be signed by the Town Clerk or the Town Manager.

Licenses issued 7/1/16 ~ 6/30/17

ATVs:	38
Boats:	290
Dog Licenses:	121
Hunting & Fishing Licenses:	163
Liquor Licenses:	15
Snowmobiles:	34
Vendor Licenses:	6

Respectfully Submitted,
MICHELLE P. CAMERON
Town Clerk

Assessors' Agent

Real estate market conditions continue to improve. The number of sales has increased over last year as has the number of new building starts. There is interest in commercial development along Route 1B. Once again, the state certified ratio for Damariscotta is virtually identical to that of last year. This percentage, used as a measure of assessment, relates sales prices to assessed values. This stability indicates that values continue to hold. The declared certified ratio was 100% for this fiscal year. The certified ratio of 100% means that the full amount of the Homestead Exemption and Veteran Exemption is applied to the valuation of the property.

I encourage you to contact this office, either by phone (563-5168) or email (jbarnes@damariscottame.com), if you have any questions or concerns regarding the taxation process. I welcome having the opportunity to check and refine our data, making whatever changes are warranted. The ultimate goal is to get things right so that the tax burden is spread fairly and equitably across town.

Respectfully submitted,
JURATE J. BARNES, CMA

PROPERTY TAX RELIEF

The following exemptions are made available to taxpayers at a local level. Applications are available at the assessor's office or online and are due on or before April 1st.

- **HOMESTEAD EXEMPTION** - To qualify, homeowners must be able to declare the property as their principal residence for at least the 12 months preceding the date of the application. Once the application is filed, the exemption remains until the owner sells or changes their place of residence.
- **VETERAN EXEMPTION** - Any veteran or the widow of, who served active duty during a federally recognized war period and, if discharged or retired under honorable conditions. The Veteran must have reached age 62 or must be receiving a pension or compensation from the United States Government for total disability, either service or non-service connected.
- **BLIND EXEMPTION** – Applicants must provide written proof from a medical doctor or eye care professional that they are legally blind.
- **BETE** – Certain businesses may qualify for an exemption on personal property tax for equipment first subject to tax on April 1, 2008. This is an annual application.
- **BETR** – Certain Businesses may qualify for reimbursement on personal property tax paid during the previous year. Taxpayers begin the application process by filing the form “801” with our office.

More information can be viewed on line at
www.maine.gov/revenue/propertytax/propertytaxbenefits/

Cemetery Trustees

Covering the period February 2017 through January 2018

We continued to provide basic services to families such as arranging eight lot sales, coordinating nine burials, overseeing the placement of four monuments, and facilitating two transfers of ownership, as well as responding to various inquiries and leading tours for descendants and members of the Budget Committee and Selectmen.

The most visible events occurred with the removal of a maple tree at the boundary of the Old Hodgdon Yard and Norris Yard in Hillside, the October wind storm that blew down 11 stones in Old Hodgdon Yard, and the completion of the flank wall and picket fence replacement at Walpole. As sad as it was to see the maple tree come down, the rot in the trunk required its removal for the safety of stones and visitors. Usable portions of the wood were collected by members of a local wood-turning club who plan to make cremation urns for veterans.

We had our share of out-of-the-ordinary finds along the way, ranging from a weathered wooden captain's chair found propped against the back of an obelisk in the Norris Yard to the discovery of a stone wall underground along the west perimeter of Range 100 in Bethlehem Cemetery, and a deed that reserved a strip of land to be used for burials outside a known cemetery. We also located some markers that had gone underground, including field stones at Davis-Hunt and Alden Chapman, and several flush stones and a metal temporary marker in the Norris Yard. The most exciting find was made by Matt Lutkus, who has become our expert volunteer for lifting and levelling stones. In the course of doing that work at Alden Chapman, he discovered the headstone of Joseph Chapman, a War of 1812 veteran whose stone had probably lain hidden below the sod for 75 years. Amazingly, it was intact and needed only to be cleaned and reset.

Veteran-identification research continued throughout the year, with about 50 names being added to the list for flags. One of those veterans had died in 1761 after serving in the French & Indian War, and he received a British flag.

We continue to appreciate the labors of various volunteers, including Hale McLean who helped with spreading loam and leveling small upright stones at Bethlehem. Hale's grandfather, Dick McLean, continued to refurbish Civil War flag holders for us, and also helped with planting flower bulbs behind the bench at Walpole. Jeff Paye of Newcastle took care of large limbs that fell into Bethlehem during the October windstorm. Martha Dodge, Betsy Evans, and Karen Campbell helped with measuring Heavener-Day for mapping. Geologist Bruce Campbell assessed a grave that has collapsed annually for the past three years and made recommendations. We enlisted the expertise of Liz Stanley, University of Maine Cooperative Extension Agent, to provide guidance on getting grass to grow in chronically bare places and for the design of a retaining wall along portions of Row C in the Norris Yard.

Regular maintenance of the Ancient Burying Grounds continues to be provided by Steve & Karen O'Bryan, Damariscotta-Newcastle Lions Club, J&H Landscaping, Jackie Fraser, Damariscotta River Association, Greg & Bonnie Kipple, Jody Sprague, Lessner descendants, Chris Perry, Bob Harris, Gordon Isleib, George Dolengowski, Keith Plummer, Josh Pinkham, and William Burlin. Damariscotta Historical Society once again held a silent auction and raised \$1,673 to benefit the Cemeteries Restoration Fund.

We received donations of pipe and wire from Mid-Coast Energy Systems for the repair of flag holders, as well as parts for repairing the hose faucet at Hillside. J&H Landscaping donated paver pieces for use in lifting and leveling sinking stones.

The Trustees worked with the Auditor to review the perpetual-care fund accounting, a process that both identified some needed corrections and provided clarity.

Progress continues on the database to document all known burials in Damariscotta. Hillside Annex 2 and Old Hodgdon Yard information was entered, and additional queries were developed that enabled us to provide details to family members, researchers, Pemaquid Chapter of Daughters of the American Revolution, veteran organizations, and Skidompha Library. Through the kindness of the families, we were able to document four additional burial sites located on private property.

We continue to enjoy tremendous support from all Town employees. Hugh Priebe and Eddie Parlin did a great job clearing old overgrowth from the NW corner of Hillside – and found a fieldstone burial, a Civil War marker, three golf balls, a dozen bricks, and remnants of an old metal flower container in the process. They also straightened a leaning granite post at the Church Street entrance to Hillside Lane, removed various dangling limbs, reinstalled a large rock that had fallen off the Hillside stone wall, cut a small dead tree, filled a collapsed grave, and oversaw the removal of the large tree at Hillside, including carefully moving a large headstone out of harm's way and keeping it safe until it could be reset after the tree work was completed.

At the Town Office, Jurate Barnes supports our research by sharing her knowledge of properties surrounding the cemeteries, while Cheryl Pinkham, Michelle Cameron and Becky Bartolotta cheerfully help with all manner of special projects and reports that make our jobs easier.

Respectfully submitted,
Cemetery Trustees

Central Lincoln County Ambulance Service Inc.

Hello,

In 2017 our service responded to 426 fewer calls than in 2016. This is good news for communities, fewer calls usually means fewer sick or injured. Unfortunately the majority of the reduction is from our basic transfer side of the business, leaving our emergency work about the same as the previous year. This reduction in call volume has made a large impact on our revenue for the year as our operational budget is funded by the calls we bill for. (Town money received is used only to pay for part of our equipment and training needs.) In November of 2017 we launched an annual appeal letter seeking help with the growing costs of equipment and training. I am pleased to announce that we have received great support to date, and have raised \$24,000 toward our goal. The money received will be going toward replacing an aging ambulance. We currently have two 2010 models that are next to be replaced. Along with the ambulance, we will be working toward replacing the aging cardiac monitor that serves with the older ambulance. Currently with our donations and Town contributions, we are \$80,000 from our goal. I would like to thank everyone for the great support that we have received.

The Community Home Visits are now in their fourth year of the pilot project and we have been able to demonstrate a positive impact on the patients we have served. We have just recently completed two sections out of four of advanced training. This will allow us to provide better respiratory support in the way of providing instruction and additional medication. We also will be able to better provide assistance with individual medication use, tracking, and patient questions. The next two sections will cover more in depth wound care, and diabetic education & treatment.

I would like to thank the Damariscotta Fire Department and the Police Department for their continued support and excellent work.

Please contact us if you have any questions, concerns, or would like to learn more about our service, 207-563-7105.

Respectfully,
WARREN S. WALTZ
Service Chief

Police Department

Our current staff consists of administrative assistant Joanna Kenefick, full-time Officers Patrol Sgt. Erick Halpin, John Kyle Sylvester, James Dotson, David Bellows and myself, Chief Jason Warlick. Our part-time staff consists of Officers Tyson Fait, Mark Graham, Craig Worster, and Larry Hesselstine. We employ 2 part-time summer parking enforcement officers. These positions are typically filled on a year-to-year basis. Please feel free to stop in the department anytime and meet each and every officer.

2017 was another great, safe year in Damariscotta.

We responded to approximately 12,000 calls for service from July 1, 2016 to June 30, 2017. Something very exciting to me is the continued decrease in burglaries in our town. I attribute this to the officers' increased attention to townwide property checks. The officers are "getting out and shaking doors." Another contributing factor to this very important reduction is that the officers are stopping more vehicles in the late evening and early morning hours. These blue lights are a deterrent for criminal activities in Damariscotta.

We continue to battle the current opioid crisis in Damariscotta. I am pleased to inform the residents and businesses that we are making strides in prevention and recovery to those affected by drugs and addiction. The department continues to work side by side with the Lincoln County Recovery Collaborative, CLC YMCA, Substance Use Prevention Programs for youth prevention, Healthy Lincoln County and various other programs aimed at drug and treatment programs. Our department has successfully integrated recovering addicts back into our community and helped provide them with jobs, medical needs, and, in some cases, helping reunite them with their children. This has helped with recidivism, criminal activities, and the mental state of those battling addiction. This will continue to be a passion for the department moving forward with the hope that we can curb addiction in our community.

Our staff continues to work with the YMCA to assist in their healthy living campaigns. Our staff attends programs such as Fill the Bus, Family Night, Sticker Shock, etc. These activities are an opportunity to interact with both youth and adults in a positive environment to help promote healthy living and foster strong ties between the community and the police department.

I have continued to work with Great Salt Bay School administrative staff to build a safer school environment and we are constantly evolving our emergency response plans. Each and every parent should feel confident that both the school and the police department believe that school safety is our priority and we work hard to be alert and vigilant to any and all issues that may arise in the school.

We had another banner turnout during the October Pumpkinfest festival. We are happy to report there were no major issues or arrests directly related to the event. Every year we see more people return for the event and the streets are filled with wonderful people. It's great to see the children smile while looking at the amazing pumpkins. Although taxing on our department at times, we always look forward to the amazing interactions with the public and everything the Pumpkinfest brings to Damariscotta.

Our Department started a new Facebook page with information regarding upcoming events, emergencies, closures, etc. Something you may have seen on this new Facebook page is officers posing with K-9s all over town. I asked my officers to get out of their "routine patrols" and talk to

the community. I began something called “The Dogs of Damariscotta.” This was designed to allow a more positive community policing focus through daily interactions between the Officers and the dog owners. This was an absolute hit amongst both residents and our large visitor population during the summer months. My officers loved the interaction and made some great friends with both the animals as well as the owners. Whether you want to warm your heart or get a good laugh, please view the Damariscotta Police Facebook page to see all the foolish officer-dog photos.

In closing, I would like to thank my entire staff for their continued hard work, professionalism, integrity and ethics. A big thank you to the town office staff: Cheryl, Michelle and Becky, Town Manager Matt Lutkus, and each and every Select Board member for their continued support and trust in our agency and staff.

We look forward to serving each and every one of you in the future.

Sincerely,
JASON WARLICK
Chief of Police

There were 12,247 calls for service in the Town of Damariscotta in the 2016 – 2017 fiscal year. That is an average of approximately thirty-three calls a day. The breakdown is as follows:

9-1-1 Checks	50	Abandoned MV	4
Animal Complaint	107	Administrative	6
Alarm, Burglar	122	Assault	7
Assist, Citizen	371	Assist, Other Agency	191
Attempt to Locate	24	ATV Complaint	4
Boating Incident	1	Bomb Threat	1
Burglary	3	Compliance Check on Inmate	21
Child Abuse	3	Property Checks	7,845
Civil Complaint	32	Criminal Mischief	11
Community Policing	219	Concealed Handgun Permit	3
Disabled Motor Vehicle	67	Domestic Disturbance	25
Drug Investigation	30	Erratic Operations	111
Escort/Transport	53	Fire Alarm	23
Fire, Chimney	1	Fire, Structure	1
Fire, Other	12	Fireworks	4
Fighting (non-domestic)	2	Harassment	40
Juvenile Problem	13	K-9 Call Out	2
Loud Noise	23	Littering	6
TipLine Information	2	Medical Emergency	199
Medical Alarm	12	Mental Subject	8
Missing Person	1	Motor Vehicle Accident	196
Motor Vehicle Stops	1,171	Narcotics Administration	1
Parking Problem	66	Pedestrian Check	33
Parking Enforcement	21	Police Information	225
Lost/Found Property	127	Service	27
Sex Offenses	4	Shoplifting	1
Sex Offender Registration	2	Special Detail	33
Suicidal	12	Suspicious Activity	100
Traffic Hazard	67	Theft/Forgery/Fraud	111
Threatening	18	Traffic Control	266
Trespassing	9	Unwanted Subject	13
Violation of Protection Order	6	Violation of Bail Conditions	4
Violation of Probation	1	Warrant Arrest	14
Welfare Check	50		

Parking tickets are not included in the calls for service numbers.

Arrests by offense

Forcible Rape	1	Drug Equipment Violations	5
Aggravated assault	2	Prostitution	1
Simple Assault	12	Weapon Law Violations	1
DV Assault	2	Bad Checks	3
Intimidation	1	Refusing to submit to arrest or detention	2
Criminal Threatening	2	Obstructing report of crime	2
Terrorizing	2	OUI	8
Burglary	5	OAS	14
Stealing drugs	3	Liquor Law Violations	16
Theft	58	Criminal Trespass	6
Forgery	2	All other offenses	40
Criminal Mischief	18	Traffic, Town By-Law Offenses	31
Drug/Narcotic Violations	12	TOTAL	249

Parking Tickets

253 parking tickets were issued from July 1, 2016 to June 30, 2017. Fine amounts totaled \$6,000. Of those 168 have been paid. We have collected \$4,875 (including penalties). There are still 81 unpaid tickets.

Massasoit Engine Company

To the Residents of Damariscotta, Board of Selectmen and Town Manager,

The Massasoit Engine Company continues to proudly protect the Town of Damariscotta with fire and rescue services, and offers this report for 2017. The Massasoit Engine Company, like many community service organizations, relies on local volunteers to serve and protect local residents. Our firefighters spend many hours protecting and serving this Town. The phrase “many hands make light work,” certainly applies to the responsibilities of a fire department. We earnestly request that you consider joining us! There are jobs for everyone on the fire department, from helping with paperwork, volunteering for fund raising efforts all the way to interior firefighter and operating fire trucks. Please contact the Chief if you are interested in finding out more about firefighting and becoming part of the Massasoit Engine Company’s long and proud history of protecting Damariscotta dating back to 1875.

The Massasoit Engine Company is fortunate to have 23 active regular members and 3 active junior members. In 2017, one new regular member joined our ranks as well as one new junior member. The junior program that was started in 2015 has helped bring several young members of the Town into community service. The five individuals who have joined us through this program have, so far, made all of us firefighters and fire officers proud with their dedication and enthusiasm to learn and help the community.

An engineering sketch of the soon to be Damariscotta Engine 2, a rescue-pumper built by Rosenbauer. This apparatus, which will replace old Engine 2 (1984) and Rescue 5 (1988), offers a 1,500 gallon per minute pump, 1,000 gallons of water with a custom 5 man cab. The onboard generator will power Jaws of Life and the truck will carry all of the rescue equipment for the Engine Company as well as a full complement of firefighting tools. Delivery is expected to take place late in 2018 and the vehicle will placed in service shortly after delivery. The Engine Company is very fortunate for the continued support of the residents and businesses of Damariscotta.

This has been an especially busy year, with our members responding to 159 calls, a 20% increase over the previous year. I would like to thank our firefighters and their loved ones for their dedication to the Town this year. If you see a firefighter or one of their family members in public, please thank them for their commitment and work to keep the Town safe. I am especially thankful for the support of my wife, Kristen and sons Matthew and Thomas.

Officers of the Massasoit Engine Company for 2017

Chief	John C Roberts	Deputy Chief	James Hall
1st Assistant Chief	Jon Pinkham	2nd Assistant Chief	Joshua Pinkham
Foreman of Pumpers	Robert Genthner	Training Officer	Steve O'Bryan
Treasurer	William Brewer	Clerk	Steve O'Bryan
Trustees (3)	Frederick Brewer	Jon Snell	Dan Pinkham
Safety Officer	Thomas Hoepner	Lieutenant	Christopher Hilton

2017 Fire Calls – 159 Total

Structure Fires: 17

Woods Fires: 7

Chimney Fires: 3

Other Fires: 5

Cooking Fires: 2

Fire Alarms: 39

Carbon Monoxide Calls: 8

Car Accidents: 21

Service Calls: 35

Haz-Mat Calls: 7

Rescues: 5

Sprinkler Activation: 2

Extrication: 8

The call breakdown is shown graphically here. Responses to fires made up close to a quarter of the calls. There were a number of service calls, rescues and alarms received during the October 30th storm, which led to the company responding to 25 calls in one day. A breakdown of calls compared to last year is included below.

The Engine Company spent 1,391 hours responding to calls and spent 761.5 hours training for a total of 2,152.5 hours focused on preparing and responding to emergencies in the community.

Respectfully submitted,
JOHN ROBERTS
Massasoit Engine Company Foreman

Road Commissioner

The following report is for the projects that were completed in the year 2016-2017

❖ **Riverside Park:** two new benches were installed thanks to generous donors; the DRA bought picnic tables and repaired the kiosk by the docks; new planters were made for the park; new stones were added to the seawall; new loam, sod and paver stones were installed.

❖ **Paving & Repair Projects:** Church and Hodgdon Street mill and overlay completed. Oak Street was paved. An eight-foot concrete culvert was installed on Egypt Road. Road shoulders on Hodgdon, Belvedere, Hammond, Chapman and Egypt Roads were repaired. Pot hole repairs. The Elm Street sidewalk, storm drainage and paving project required a significant amount of involvement by the Road Commissioner.

Riverside Park

Egypt Road Culvert Project

Egypt Road Culvert Project

❖ **New Equipment:** a grapple bucket was purchased; a Billy Goat leaf vacuum and a new compact loader with attachments were also purchased.

❖ **Weekly Tasks:** Some of the department's tasks are emptying the fifteen trash bins located around town; mowing lawns at the town office, Riverside Park, and the fire station; helping out at the cemeteries; sweeping the roads; fixing sign posts; putting the pump station in and keeping it pumped; painting crosswalks and intersections; checking and maintaining drains and culverts; and maintaining Biscay Beach.

❖ **New Street Signs:** The Department will be putting new signs up in early spring.

❖ **Docks:** With help from the State, we were able to expand the Town floats with two more sections. A granite bench was also installed near the launch.

Respectfully submitted,
HUGH PRIEBE
Road Commissioner

Eddie Parlin, seasonal worker, helps with the docks

Great Salt Bay Sanitary District

Great Salt Bay Sanitary District (GSBSD) is a publicly owned, quasi-municipal utility organized to provide safe drinking water in Damariscotta and Newcastle, and to provide wastewater treatment services in the Towns of Damariscotta, Newcastle, and Nobleboro. The District currently has 713 water customers and 1,428 wastewater users. Scott Abbotoni is the Water Division Manager and LeeAnna Libby is the Wastewater Division Manager.

Our mission is to provide safe drinking water, adequate fire protection and effective wastewater treatment. The District is committed to public health, customer service and environmental protection.

The Drinking Water Division's water supply is "Little Pond," a pristine 77-acre spring-fed pond with an ultraviolet light water treatment system as a primary disinfectant and Sodium Hypochlorite as a secondary disinfectant.

The Welton Tank on Standpipe Road in Damariscotta and the Academy Hill Tank in Newcastle feed the Twin Villages water for fire suppression and quality drinking water.

In 2017 the Water Division replaced 1,600 feet of 120-year-old cast iron pipe with new 8-inch H.D.P.E. pipe from Main Street to Lewis Point Road. This will help with water quality and increased fire flows throughout the water system.

The Wastewater Division's treatment facility for Damariscotta and Newcastle consists of three aerated lagoons with a capacity of eight million gallons.

The lagoons were cleaned, the aeration system was upgraded and the lagoon liners were inspected in 2012.

In 2016 a long needed upgrade to the Main plant's electrical and blower system was finished these improvements will save on power and future repairs.

The Damariscotta Mills area of Newcastle and Nobleboro has a small sand filter fed by septic tanks which are maintained by the District.

The Great Salt Bay Sanitary District's operations are carried out by five full-time employees and are overseen by an elected six-member Board of Trustees. Representing Damariscotta are William Brewer, John Gallagher, and Raymond McConnell. Newcastle Trustees are Alan Ray and Clayton Huntley and representing Nobleboro is Robert Whear. The Trustees meet the second Wednesday of each month at 5 p.m. at the District office located at 121 Piper Mill Road in Damariscotta. The public is encouraged to attend.

Office hours are; Monday – Friday 7:00am -3:00pm, for more information, please contact our Water Division at 563-3010 or our Wastewater Division at 563-5105.

Respectfully submitted,
SCOTT ABBOTONI
Water Division Manager
LEEANNA LIBBY
Wastewater Division Manager

Nobleboro/Jefferson Transfer Facility

The Transfer Station, operated by Nobleboro and Jefferson, and under contract with Bremen, Damariscotta and Newcastle, provides for the disposal of most types of solid waste generated in the five towns. In 2017, our household waste went to PERC in Orrington. In 2018, this will go to Waste Management in Norridgewock along with the construction and demolition bulky materials. We use the services of Lincoln County Recycling to recycle cardboard, newspaper, plastic and many other products. We also recycle our universal hazard waste (televisions, computer, fluorescent light bulbs, mercury switches and rechargeable batteries.)

You will see the Transfer Station Attendants out helping the customers with their trash and recyclables. They worked very hard to keep the facility neat & safe. Our hopes are that they make your trip to the Transfer Station a positive experience. The Town would like to give many thanks to our employees Barry Howell, Brandon Achorn, Linwood Rideout, Glenn Daiute, and David Gallagher for all they do for the Transfer Station.

In 2017 we did see many changes at the station. We continue to promote recycling in different ways. We have programs to recycle paint, electronics, food waste paper, cardboard, plastics and metals. Everything you recycle helps reduce the amount it cost to put into the mainstream trash.

This year with the effort of the employees and the public we lowered our tipping costs of trash. By doing this, we add to the surplus which we used to lower the cost to the town by 2.9%. We feel in the future we will be able to keep the tax commitment level.

The Transfer Station is open from 8:00 a.m. to 4:00 p.m., Tuesday through Saturday. The front gate is closed at 3:50 p.m. each night to allow time to close out the computer. We are closed on Sunday and Monday. This allows our staff to have two days off in a row.

We will continue to review our operations in an effort to provide good service and the most efficient Transfer Station possible. We are interested in your comments and recommendations and will attempt to incorporate them whenever possible.

Respectfully submitted,
RICHARD SPEAR
Transfer Station Agent

Skidompha Library

Annual Report – 2017 – Damariscotta

Because of your continued generosity and support, many Damariscotta residents enjoyed all Skidompha Library has to offer. At the end of 2017, over 1,600 Damariscotta individuals had library cards.

In the last year your library...

Provided meeting, performance, and fundraising space to more than 50 organizations monthly

Presented Chats with Champions and a film series to a combined audience of nearly 1,500

Assisted researchers more than 1,100 times in our Genealogy Department

Engaged with local teens by providing a dedicated teen room and offering programs suited to their needs

Hosted exhibitions for 17 emerging artists in our atrium and in our Carey Art Gallery

Modeled the importance of philanthropy to 270 young readers during our Summer Reading Program (CHIP received over a half a ton of shingles and nails thanks to this effort!)

Listened to your suggestions and continued OWL, our online radio station, to provide programming for people at home (we've had 14,854 listeners...and counting!)

Stepped out on a limb to bring you cutting edge programs like Gizmo Gardens, the STEM program for future engineers

Continued to provide literacy programs for learners of all ages, as well as foreign language lessons

Gave a sense of purpose to volunteers of all ages, totaling over 10,000 donated hours (for which we are so grateful!)

Of course, we also circulated items over 100,000 times, including large print books, audiobooks, films, 3 different museum passes, a ukulele, and a telescope! We did all of this while remaining a fiscally sound, friendly, and welcoming non-profit.

With appreciation,
PAM GORMLEY
Executive Director

Lincoln County Television (LCTV)

Lincoln County Television (LCTV), established in 1991, is a non-profit organization that teaches video production, provides production equipment and manages and distributes videos made and/or requested by local individuals and organizations in Lincoln County. LCTV programming is broadcast on Spectrum Cable, Lincolnville/Tidewater IPTV, with all locally produced shows also available as both streaming and archival video-on-demand at www.LCTV.org. Local content can also be viewed on LCTV's FaceBook page. In addition to its broadcast service, LCTV also provides a TV Bulletin Board for local non-profits to publicize their services and events. LCTV's objective is to collaborate, as fully as possible, with the towns we serve to showcase the county's people, places and events.

The second half of 2017 was a period of major transitions at LCTV including the much sooner than anticipated departure of our long standing Executive Director, Mary Ellen Crowley, and a forced channel reassignment from channel 7 to channel 1301 by Spectrum (Charter Communications). The station was also, for the first time in its history, knocked off the air for two weeks in October as a result of a major windstorm/power outage. These challenges were positively offset by the hiring of a new Executive Director, an uptick in the number of active volunteers working with us and much needed upgrades of our field production cameras, broadcast software and improvements in video storage.

In addition to filming new episodes of our regular series, governmental meetings and several additional special town meetings in the municipalities we serve, in 2017 LCTV volunteers produced the following: My Life with Hairy Man, Twin Villages Business Forum 2017 (producer: Bruce Hilsmeier), 2017 WBA Waldoboro Business Summit (producer: Jim Blier), Washington School Interview Series, Mountain Lions in Maine: Rewilding the Maine Woods, Bristol Emergency Management Exercise, Bristol Emergency Management Interviews, Seacoast Orchestra Spring and Winter Concerts, Maine State Prison Hospice Program, Damariscotta Pumpkinfest Parade and Regatta, Old Bristol Historical Society (5 lectures), Damariscotta River Association's River Beats 2017, Bristol Consolidated School Diversity Program – India!, and Moody's Diner 90th Anniversary (producer: Dave Svens).

LCTV's Board of Directors has established four priorities going forward. They are: refreshing our programming; upgrading our studio equipment; developing stipend based student internships; and expanding our hands-on involvement with the local communities and people we serve. LCTV is already making rapid progress towards these goals under the new Executive Director, Abby Ingraham. For example, as of December 2017 LCTV is now working with the Lincoln County Emergency Management Agency to be part of their emergency information notification system, talking with members of the Alna Fire Department to film a series on fire prevention and safety and working with new partners such as AARP, Healthy Lincoln County and the HeadStart program to put together informational round table style shows. LCTV is also undertaking new fundraising and business sponsorship initiatives which are expected to bear fruit in 2018.

LCTV would like to take this opportunity to thank the Town of Damariscotta for their continuing financial and volunteer support and invites the town to let us know of any additional community events they would like to have filmed. Our motto is, LCTV: Your Station. Your Voice. We hope that readers of this report will consider becoming LCTV donors, volunteers, producers or business sponsors in 2018!

**This report is dedicated to Mary Ellen Crowley
(1955 – 2018)
Executive Director of LCTV from 2008 to 2017**

Pemaquid Watershed Association

Pemaquid Watershed Association (PWA) has been conserving the natural resources of the Pemaquid peninsula region through land and water stewardship and education, focusing on the 47 square miles of Pemaquid River watershed, since 1966.

Over half (51.3% or 7.1 sq. miles) of Damariscotta is in the Pemaquid River watershed, including Paradise (Muddy) and Little Ponds and portions of Biscay and Pemaquid Ponds. As a land trust, PWA provides public access to trails, open space, and shorefront on fourteen nature preserves, including Doyle Preserve in Damariscotta, which provides 16 acres of woodland and 1,200 ft. on Pemaquid Pond. First National Bank has sponsored Doyle Preserve since 2004 as a part of PWA's Adopt-a-Trail program

PWA provides water quality monitoring, land stewardship, invasive aquatic plant prevention education, and other environmental education programs and litter collection events. PWA is proud to serve the citizens of Damariscotta by continuing to provide the following services:

- Water quality monitoring at Biscay Beach as a service to the Town of Damariscotta for safeguarding swimmers' health and protecting environmental quality in the river system and connected ponds.
- The *LakeSmart* Program, which provides free technical assistance to residents on Biscay, Paradise, and Pemaquid Ponds about property-care best management practices to prevent lake shore erosion and to safeguard water quality.
- The Courtesy Boat Inspection (CBI) program on Biscay and Pemaquid Ponds to educate boaters and to minimize the risk of spreading invasive aquatic plants through the system.
- Coordination of the "PWA Ponders" gatherings, annual get-togethers of Damariscotta pond side land owners to share concerns and updates about conservation efforts related to the ponds.
- Free guided paddle trips on Pemaquid and Biscay Ponds and others on the Pemaquid River system with the PWA Paddlers from May through September.
- There are six Damariscotta residents of the fourteen Board of Directors. They are available to talk about the organization and community involvement. The PWA office, at 584 Main Street, is open to the public weekdays from 9 a.m. to 5 p.m. It serves as a place for learning about enjoying and protecting the Pemaquid River watershed.

Please visit www.pemaquidwatershed.org for information related to hiking, paddling, upcoming events and much more. PWA thanks our volunteers, members, businesses, other agencies, and our local municipalities for their support of PWA's mission. PWA looks forward to continuing to serve the citizens of Damariscotta and helping to protect this beautiful area.

Damariscotta River Association

Damariscotta River Association has partnered with the Town of Damariscotta and its citizens since 1973 to maintain a clean and healthy Damariscotta River, and to protect local natural areas for public enjoyment and wildlife habitat.

DRA is proud to serve the citizens of Damariscotta by providing:

- Lands and hiking trails, open to school groups and the public, including Great Salt Bay Farm, Round Top Farm, and Whaleback Shell Midden
- Free maps and trail guides (also available online)
- A conference room open for non-profit community meetings at no charge
- Field trips, lectures, and educational programs (attended by the public as well as students at Great Salt Bay Community School and Lincoln Academy, and homeschool families)
- Community garden plots
- Agricultural fields for Twin Villages Foodbank Farm, which grew just under 29,700 pounds of produce in 2017 for donation to Lincoln County food pantries and low-income food programs
- A location for the Damariscotta Farmers' Market
- A community ice-skating rink, skates and warming hut at no charge
- Regular and rigorous water quality monitoring at 7 sites along the Damariscotta River Estuary

DRA's education programs reached a total of 3,665 people of all ages in 2017. We provided regular programs to Great Salt Bay School students at all grade levels, including Science Friday programs, apple pressing, the Wabanaki program, DEEP (Damariscotta Estuarine Education Program) in collaboration with the University of Maine Darling Marine Center, and more. DRA also provided on-going, weekly programs in field science for Lincoln Academy's Alternative Education and Ideal programs.

Our Public Programs serve people of all ages, from preschoolers through retirees, and reached 676 people in 2017. These programs include "walks and talks," a program for homeschool families, the Midcoast Stewards program, winter films, a community garden, school vacation day camps, after-school programs, Archaeology Field School, a summer day camp, and much more.

The citizen-volunteer horseshoe crab monitoring program conducted a total of 39 monitoring events, and the citizen-volunteer estuary monitoring program conducted a total of 97 monitoring events.

Our headquarters at Great Salt Bay Farm on Belvedere Road provides hiking trails, hills for sledding, and a welcome center with a nature exhibit room. For a complete calendar of upcoming events and other information, please view our web site at www.damariscottariver.org, or visit us at 110 Belvedere Road.

As ever, we thank you - the Town of Damariscotta and its citizens – for your help and support over the past year. With your continued support, we look forward to future successes in local conservation in 2018.

Respectfully submitted,
STEVEN B. HUFNAGEL
Executive Director

Damariscotta K-12 Education

My name is Jim Hodgkin and I am the Interim Superintendent here in AOS 93. I want to start by sharing how impressed I have been with the schools in AOS 93, the staff of those schools, and the communities that support them. This structure is new to me and it has certainly taken me some time to understand all the nuances that go with being the Superintendent of an AOS. I have greatly enjoyed working with the Damariscotta School Committee. Their support of the students who attend secondary schools in the area is well balanced with a fiscal focus for the citizens of Damariscotta. During this past year, they have had to deal with some challenging issues related to the number of students attending grades 9-12. Assuring that all students for whom Damariscotta is responsible are indeed residents of Damariscotta can be a challenging task. However, the three board members who represent you take that task and other roles seriously and do a thorough job.

Damariscotta is very fortunate to have Brent Hallowell, Josh Pinkham, and Angela Russ serving on the Damariscotta School Committee. Their commitment to Damariscotta and to the Great Salt Bay CSD Board is outstanding. They are supportive and scrutinizing all at the same time. They clearly represent the “best interest of the students within the financial ability of the town.” That task is not always easily achieved.

As we head into this budget season, we will focus our attention on developing a budget that accurately reflects the number of students attending high school from Damariscotta and decide on a reasonable number of “additional students” that may move in to Damariscotta during the next school year. Those two numbers and the AOS assessment to Newcastle is primarily what makes up the Damariscotta School Board budget.

I have also greatly enjoyed working with the Town Manager, Matt Lutkus, and the selectmen of the town. While I have only met on a very few occasions with them, I have been in to see Mr. Lutkus on other occasions and hear the positive comments from folks about the selectmen in general.

During the 2017-18 school year, the town of Damariscotta sent primarily 80 students to high school at Lincoln Academy. However, another eleven or twelve students attend in other high schools or some other method of secondary education.

I thank you again for the opportunity to serve as the Interim Superintendent this year and wish the Damariscotta community well in the future. It has been my pleasure to serve you this year.

JIM HODGKIN

Central Lincoln County (AOS#93) Adult and Community Education

CLC Adult & Community Education provided services to over 600 adults in 2017. We offered the HiSET (formerly GED) high school completion program, assisted adults preparing for college, worked with literacy students and English language learners, provided medical certificate programs and sponsored a wide variety of community enrichment classes for all ages.

Your CLC Adult & Community Education program provides basic literacy services along with high school completion classes free of charge in our Learning Center on Tuesday & Thursday evenings and on Thursday mornings. Free college transition courses are offered through The Lincoln County College Connection – a cooperative program with 3 other Lincoln County Adult Education programs. Dozens of students from Lincoln County participated in classes that helped them prepare for college through this program.

In 2017 we had 10 students earn a high school completion credential. Another 16 worked toward obtaining a high school credential or on basic language and math skills. Anyone who is 17 or older and out of high school and who wants to earn his/her high school credential or who needs to improve their reading, writing, math or English language skills should contact us to get started.

We continue to work with LincolnHealth to provide vocational training in several medical programs. In response to the critical need for Certified Nursing Assistants (CNAs), we started a CNA apprenticeship program to allow students to “earn while they learn.” In 2017, we conducted 3 CNA courses with 21 students completing the program and receiving certification and employment. We were also able to offer CPR, CRMA, and CRMA recertification classes.

Hundreds of students enjoyed the 202 low-cost, high impact courses offered through our community education program and in collaboration with RSU 40 Adult Education, providing a single point of access for information about classes throughout Lincoln County. From an eight-week course on the Geology of the Midcoast Area to a one-night class on learning to make fresh stuffed pasta, to free classes on Medicare and Social Security, people throughout Lincoln County participated in offerings that sparked their interest and enriched their knowledge.

Although I have only been in my new position as Director of CLC Adult & Community Education for six months, I can already see what a tremendous impact the program has in our community. Thank you to each of our supporting towns for the funding that enables us to continue to provide programs and services that improve, inspire, and enrich the lives of so many Lincoln County citizens. The difference you make is greater than you know!

For more information about all of our programs, please visit our web site: <http://clc.maineadulted.org> or call us at 207-563-2811.

Respectfully submitted,
PAMELA J. SPERRY
Director

Lincoln Academy

Lincoln Academy is an independent secondary school chartered in 1801 to serve the Midcoast area. It offers a comprehensive program, including courses at all levels in the areas of English, Mathematics, Science, Social Studies, World Languages, Fine and Performing Arts, Technology Education, Physical Education, and Health. Regional Vocational, Alternative Education, and Special Education programs are available. On a ten-year cycle Lincoln Academy is accredited by the New England Association of Schools and Colleges (NEASC), and was most recently reaccredited in 2015.

Governance: Lincoln Academy is governed by an independent Board of Trustees. Officers include: Christine Wajer '85, President; Sarah Maurer, Vice-President; Dennis Prior '91, Secretary; and Lisa Masters, Treasurer. Members include Paul Anderson, Elizabeth Allen, Chris Olson '83, Judi Hilton '91, Ann McFarland '73, Faustine Reny '01, Stephen Dixon, Jon McKane, Karen Moran, William Morgner, Pam Gormley, and Hugh Riddleberger. David Sturdevant is Head of School.

The Student Body, Day and Residential: Lincoln Academy has a current enrollment of 570 students in the 2017-18 school year. The majority of students come from 16 local towns. 87 residential students come from 19 countries around the world. After 5 consecutive years of growth, the Residential population has met available housing capacity and for the foreseeable future will remain between 80 and 90 students.

Graduates: Of the 130 graduates in the Class of 2017, 91 enrolled in postsecondary education; 81 enrolled in 4-year colleges/universities, 10 enrolled in programs shorter than 4-year (2 year and certificate programs), 37 are employed/seeking employment, and 2 enlisted in military service.

Curriculum: Lincoln Academy remains committed to its comprehensive curriculum as we strive to meet the needs of all students. We have added new courses in the past several years, including AP Computer Science Principles, Introduction to Design, Engineering and Technology, Wood Projects, Metal Projects, Mechanical Projects, and Introduction to Engineering Design. The new courses take advantage of the space and tools in the ATEC building, as well as serve our increasingly diverse population of day and residential students.

Finances: Unlike most independent schools, the Board does not set day tuition. Because most students' tuition is paid by their sending towns, the tuition is established by the State Department of Education using a formula based on average per pupil expenditures of Maine public high schools during the previous two years. The tuition for the 2017-18 school year was increased by 3.38% from the prior year to \$10,886.51 per pupil. The Insured Value (IV) factor is an amount in addition to tuition intended to fund capital maintenance and debt service. The legislated IV factor amount of 10% was reduced in 2009 to 5% and remained at 5% through 2013-14. The legislature voted to partially restore the IV by voting to increase the amount to 6% of the calculated tuition figure for 2014-15. The 6% rate was carried over into 2017-18 and is \$653.19 per pupil for this year. While towns are allowed to continue to pay the full 10% and some of our area towns have done that in the past, this year all sending towns have elected to pay the mandatory 6% rate. **2017-18 maximum allowable tuition is \$10,886.51 and insured value \$653.19 (6%). Tuition increase 3.38%.**

Supporting Lincoln: The state-determined tuition is simply not enough to provide the quality educational experience that Lincoln Academy promises to every student. Because of this, LA depends on support from donors to the Lincoln Fund to make up the deficit. Private contributions have allowed Lincoln to support programs and capital improvements. Money raised through the Lincoln Fund supports students and faculty, and is vital to the life of the school. Since 1997, over \$1.625M has been contributed to general operations, over \$715 for specific programs, and about \$15M for capital projects. Contributions to annual and capital campaigns provide for the perpetuation of and improvements to LA's programs and physical plant without increasing local taxes.

Lincoln Academy is grateful for the support of sending towns, and individual and business supporters that allow our programs to serve students so well.

Planning Board, Planner & Land Use Advisory Committee

Ordinance Development: A new Land Use Advisory Committee, appointed by the Selectmen in April 2016, began working on ordinances to implement the 2014/15 Comprehensive Plan. At the November 2016 Town Election, voters approved a new Accessory Apartment Ordinance allowing any existing house owner to provide an apartment to a relative or rent to another household. This responded to the sentiment expressed in the Comprehensive Plan for assisting residents to age in place. Technical changes were also approved to the Shoreland Zoning (SLZ) and Floodplain Management Ordinances. In the SLZ Ordinance the Maine Forest Service was substituted for the Town Code Enforcement Officer (CEO) in overseeing timber harvesting in the shoreland areas. The Committee also began researching historic district ordinances including Topsham, Gorham and Wiscasset to help protect the historic downtown from threats identified in the Comprehensive Plan and a 2015 EPA Sustainability Study, to protect and enhance the downtown through slowing down potential demolitions of historic buildings at time of sale and for securing tax credits from the State and Federal governments for repairing and rehabilitating historic buildings. During review of site plan applications in 2016, the need became apparent for updating the Town Subdivision Ordinance which had not been substantially changed since 1989, thereby lacking changes since added to the state statute controlling local subdivision ordinances. Due to the new technology of LED (light emitting diode) signs, with high brightness and the ability to flash and the proliferation of sandwich board signs downtown, the Planning Board led a year-long project to create a new stand-alone sign ordinance. Involving downtown merchants and the large retailers along Rt. 1B, the new ordinance allows for different sizes and illuminated signs in commercial areas versus smaller quieter signs in residential and rural areas.

Long-Range Planning: In June 2016, a group of Planning Board and Land Use Advisory (LUAC) Committee members and town staff accompanied the Lincoln County Planner to the UMO Composites Materials Lab for a daylong series of lectures on innovative projects at the lab including model floating windmills off Monhegan Island. The Town Planner and Manager continued to explore grant possibilities for funding our new seawall by following up with a MOU (memorandum of understanding) with the Lab staff to be cooperative on developing a plan for an innovative seawall if and when the Town might secure funding to do so.

The Town continued to pursue its 2015 long-range waterfront plan for implementation of four key elements over five years (2017-2021) as a blueprint for town – Chamber of Commerce cooperation:

1. Historic District, tax credits for building rehabilitation.
2. Public Restroom at Harbor parking lot.
3. Three-phase reconstruction of Harbor Parking Lot with GSBSD.
4. Seawall design and construction with perhaps help from UMO Composites Lab or elsewhere.

Implementation of the 2015 EPA funded ‘Building blocks for Sustainable Communities’ study of Town continued through the historic district ordinance development and exploring a BID (business improvement district) in cooperation with TVA (Twin Villages Alliance). After visiting Portland’s BID operation, it was concluded to continue exploring a Damariscotta historic district ordinance before exploring further a BID for the downtown.

Conferences and Workshops: In November 2016 LUAC and DRA (Damariscotta River Association) members met to discuss long-term cooperation in developing programs and legislation for protecting wildlife corridors and open space. Also, in 2016 the Maine Downtown Center with the Maine Historic Preservation Commission and Maine Preservation held a workshop at Skidompha

Library on historic preservation including the Maine and Federal Tax Credit programs for repair and restoration of historic buildings. In Spring 2016 some Planning Board and LUAC members and town staff attended the Annual LCRPC (Lincoln County Regional Planning Commission) meeting at which Dr. Habib Daugher of the UMO Composites Materials Laboratory spoke about advances in energy efficiency and reducing carbon footprints.

Development Review: Planning Board permitting activity during 2016/17 picked-up in all parts of town reflecting the recovery of the economy after the great recession. Two residential subdivisions were approved by the Planning Board in the rural area: a four-lot subdivision along Heater Road and an after-the-fact eight-lot subdivision along Abbie Road located between Egypt Road and Pemaquid Pond. In the village area, the DRA divided the Freeman lot between Church Street and the River into two, placing conservation easements upon them to preserve open space along the water. In the village, review and debate continued over the conversion of the Blue Haven property on Hodgdon Street into six affordable dwellings by Stepping Stone Housing, Inc. South of the village, Miles Memorial Hospital was approved for a new professional building that will consolidate the offices of the many professionals who work there. Off Bristol Road, near the Bristol line, Pemaquid Oyster Company was approved for a new seasonal dock and float to facilitate transport of gear back and forth to its aquaculture farms. Along the Rt. 1B (Main Street) commercial corridor the issue of the proper town response to outdoor storage was prevalent. The Board dealt with appropriate screening of neighboring residences, from outdoor display of sales goods at Mainely-Pawn and at Chasee Marine which decided to only expand its employee parking for the time being and not store more boats. The CEO and Town Planner followed-up with NC Hunt Lumber and the Coppola Professional Building over issues of proper screening along Main Street. A small automotive service garage was approved at Rice Lane on Rt. 1B, while two large projects were reviewed, one an expansion of the Central Lincoln County YMCA, the other a Dollar General and Sherwin Williams retail stores on the old County Fair Grounds at the Poole property at the Main Street/Biscay Road intersection. Issues included the proper response to the amount of parking to allow in front of retail buildings along Main Street, the appropriateness of chain link fences along the buffer strip between roads and a retail store and provision and maintenance of appropriate vegetative screening.

Two innovative developments also occurred. The Inn-Along-The-Way multi-unit retiree housing development at the old Chapman Farm at Rt. 1B and Route One intersection area is the first PUD (planned unit development) under the Town's Land Use Ordinance. It creatively incorporates the old farm house as an inn, the old barn as a community center and future restaurant, and arranges dwelling units to balances community values with privacy values. The first solar farm in town was approved at the Friends Meeting House on Belvedere Road which serves ten scattered households in town.

Code Officer

Last year was a very busy one for the Town. We issued 19 commercial building permits and we also issued 31 residential building permits.

Building permit fees were up substantially this year due to the new business development taking place – the new garage/repair shop on Main Street, the Dollar General and Sherwin Williams, the Pottery shop in Dr. Cupola's building and the YMCA.

By far the largest project is the new doctors' center at Miles Hospital.

The total revenue from all 2017 building permits was over \$27,500 for the year. The income from plumbing permits was over \$7,000.

The Planner and I have found ourselves very busy for the amount of time we have in the office and this next year I will have more office hours to take care of business.

If you are getting ready to do a project, you should contact the Town and speak with the Planner or myself; there have been a number of projects that have not gotten the necessary permits.

Respectfully submitted,
STAN WALTZ
Code Officer
Plumbing Inspector
Shoreland Zone Officer

Town Manager

This report provides an overview of the management of your Town government during the past year. The Board of Selectmen continues to adopt an annual work plan for the Town administration that helps provide the Town staff with overall direction and focus for the year. My review of the Town's accomplishments and activities below is organized by the goals listed in the work plan.

Financial Sustainability-

Balanced Budget- The Town ended the fiscal year under budget while still accomplishing all of the major tasks in the Selectmen's work plan.

Town Investments- As reported in previous years, because the Town uses the services of a professional fund manager, State Statutes allows for increased flexibility in the investment of the Town's trust funds, enabling us to see significantly higher rates of return over the long term. The Town also uses the services of the fund manager to invest capital reserves in "fixed income" accounts, resulting in much higher rates of return than would be obtained from certificates of deposit.

Town Debt- The Town's "consolidated loan" debt was paid off in October 2016. In November, Town voters made the decision to take advantage of low interest rates to fund bond issues to complete the Elm Street Sidewalk Project and the purchase of a multi-function tractor for Public Works. In addition, voters agreed to use bond financing to set aside some of the funding needed for the construction of a restroom downtown and the replacement of a failing culvert on Egypt Road. As reported in the budget transmittal memorandum, the Town's current debt stands at just under \$455,000 which is approximately \$118,000 less than bonded indebtedness from one year ago.

Grants and Donations- The Town received several grants including public safety funding, funding for the design of Biscay beach improvements, funding for the design of the downtown restroom and funding for the Twin Villages Business Forum event that the Town cosponsored. In addition, a number of substantial private donation commitments were received for improvements to the Town's waterfront park and facilities.

**Matt Lutkus showing restroom rendering during a Selectmen's meeting. Photo courtesy of Lincoln County News.*

Infrastructure-

Road Paving- Paving projects that were completed during the year were Church Street from Hillside Lane to Main Street (intersection with Biscay), Hodgdon (north of Church Street across from School Street) and Oak Road.

Culvert Replacement- A long-term issue that was finally addressed in 2017 was the replacement of a culvert on Egypt Road near Cedar Lane. The concern that this section of roadway was in danger of collapse has now been addressed.

Five Year Capital Improvement Plan- Town staff, the Public Works Committee and the Board of Selectmen continue to annually develop a five-year capital improvement plan as a longer term planning tool.

Waterfront Improvement Project- Using private donations, the Town was able to make significant upgrades to the Riverside Park with the installation of new benches, turf and pavers. In addition, the Town received commitments from a number of individuals and businesses to provide the majority of funding for the downtown restroom. This will be another major step towards accomplishing some of the goals identified in the Heart and Soul Charrette process, the 2010 Shore

and Harbor master plan and the 2014 Comprehensive Plan. The Town continues to seek major funding to implement flood resiliency measures to protect buildings in downtown that are within the 1% flood zone. This has significant implications for the long term viability of downtown and, more immediately, the cost for flood insurance for downtown businesses.

Sidewalk Projects- The Town worked with Great Salt Bay Sanitary District to complete a major infrastructure improvement project on Elm Street. The contract that was awarded late in the fiscal year included replacement of a century old waterline, a new sidewalk, improved storm drainage and road resurfacing. Another contract awarded during the year resulted in the replacement of a “missing link” stretch of sidewalk on Hodgdon that is an especially important pedestrian link for residents of Salt Bay Apartments.

The Bristol Road sidewalk project has, of course, been the source of considerable frustration by citizens and staff alike. The fact that the project is eighty percent federally funded has caused a number of delays that would not have occurred if the project were financed through local or state resources or a combination of the two. The project is currently scheduled for Spring 2019.

Other infrastructure projects and contracts- As is reported in the Cemetery Committee’s annual report, the Town contracted for repairs to the Walpole Cemetery stone wall adjacent to the arch and replacement of the dilapidated fence.

Economic Development-

Town staff assisted in planning the first Twin Villages Business Forum held at the Damariscotta River Association’s Round Top Barn and farmhouse.

Proposed retail development along Main Street caused considerable angst among a number of citizens in the greater Damariscotta area. The Board of Selectmen created a Planning Advisory Committee to provide recommendations on immediate and longer term steps that the Town should take to address development concerns. Following up on the report of this Committee, the Board charged the Land Use Advisory Committee with the specific tasks of developing recommendations for amending the Town’s land use ordinances in time for the Annual Town Meeting and making recommendations related to longer term changes that could include adding elements of form-based codes into the Town’s ordinances.

Community Development-

Comprehensive Plan – The update to the Town’s Comprehensive Plan, adopted at the June, 2014 Annual Town Meeting has become the basis for the Town’s long term planning efforts. A Land Use Ordinance Committee is currently working on two other objectives identified in the Comprehensive Plan, the development of an historic preservation ordinance and a plan to promote wildlife corridors in town.

Intergovernmental Connections-

Interlocal Agreements- The Town continues to have joint ordinances with the Town of Newcastle for harbor management and shellfish harvesting oversight functions. The Town also has agreements with the Lincoln County Sheriff’s Office for animal control and shellfish warden services (jointly with Newcastle).

State and Local Government Contacts- The Town continues to enjoy positive and productive working relationships with key staff in the State Departments of Transportation, Community Development, Environmental Protection and Economic Development, Lincoln County Regional Planning staff; Great Salt Bay Sanitary District staff, other town and city governments, School District staff; and Lincoln County Commissioners and employees.

Citizen Communications/Outreach-

Town Website- A website task force, comprised of Town staff and citizens, conducted a selection process whereby several website design firms were asked to submit proposals. Virtual

Towns and Schools (VTS) was selected to build the new website. The site represents a significant improvement over the previous website in terms of public accessibility to the information they need and the ease at which Town staff are able to update information.

Town e-Newsletter- The Town's "News briefs from the Town Office" email newsletter currently has 537 "active" contacts. The newsletters have been sent out on an average of once per month.

Town Manager Notes- The "Town Manager Notes" that accompany each Board of Selectmen's Agenda have also provided an effective means of communicating not only with the Selectmen, but also with citizens and the news media. This document is emailed to over 85 households and businesses in addition to the Selectmen and Town staff.

Other Community Contacts- Town staff continue to have very good working relationships with local business associations and non-profit groups including the Twin Villages Alliance, the Chamber of Commerce, Spectrum Generations, the Rotary Club, Damariscotta River Association, and Pemaquid Watershed Association.

I continue to appreciate the opportunity to serve the Selectmen, citizens and the business community of Damariscotta.

Town Manager's Budget Message

Dear Damariscotta Taxpayers:

Included in the Annual Town Meeting Warrant is the Board of Selectmen's and Budget Committee's recommended Town Budget for Fiscal Year 2019 (July 1, 2018 to June 30, 2019). If approved at the June 13 Town Meeting, there is a minimal change in the 4.58 mil rate for Town Government. The other budgets that determine the FY 2019 property tax rate are the budgets for education (11.33 mils or 65.6 percent of the total property tax in FY18) and the County Assessment (1.31 mils or 7.9 percent of the total property tax in FY 18). The total property tax mil rate for FY 18 is 16.825.

You will see that the overall recommended budget increase is 2.58 percent over the FY 2018 approved budget. Due to the increase in revenue from other sources, the revenue that will be needed from property tax is projected to increase by 1.7 percent. Note that the only portion of the education budget included in the Town Manager's proposed budget is the amount that is requested for adult education. School District administration, secondary and primary school budgets are submitted to the Town Meeting legislative body separately. The recommended budget does not include the overlay that the Board of Assessors will determine as part of the Tax Commitment in July.

Under the revenue section of the budget, revenue sharing has been budgeted at \$117,000 based on a projection of revenues in the State's Biennial Budget. It is important to point out that for the sixth year in a row, it is anticipated that the Governor and the State Legislature will divert funds from municipal revenue sharing to meet other State budget obligations. If the State had continued to provide revenue sharing contributions at the statutory level, the estimated revenue to the Town would be \$292,500 in FY 2019.

Also, under the revenue section, it is recommended that the Town continue to utilize funds from the undesignated reserves to reduce the amount of a property tax increase for the coming year. The amount carried over from the undesignated fund balance this year is \$150,000. For FY 2019, it is recommended that \$150,000 again be carried over from this fund. At this point, based on the recently

completed FY 2017 audit, I am projecting that there will be approximately \$1,011,500 in the undesignated fund balance in June, 2018.

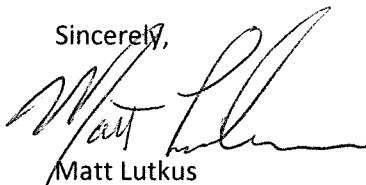

The major changes in the recommended budget are an increase for capital reserves, an increase in hours for the seasonal worker in Public Works, an increase in hours for the part-time Code Enforcement Officer, an increase in hours in clerical support to cover evening meetings and increases in expenditures for snow removal built into the current three-year contracts. The majority of the proposed allocation for capital reserves is comprised of the second and final payment for the new fire truck to be delivered later in 2018 and supplemental costs for improvements to Bristol Road.

The Town Charter requires that the Manager provide a report of the Town's current indebtedness in this transmittal message. The current debt stands at \$454,999.25 which is roughly \$118,000 lower than it was last year at this time. The current debt is comprised of the fire truck loan that the Town obtained in 2014 and the two bond issues that were approved at a Special Town Meeting in November, 2016.

Although the increase from current budget and this recommended budget is modest, the service levels that are funded by property tax dollars, fees and grants will continue to provide an aggressive capital improvement program and compensation for a productive and highly committed staff, as well as provide for fixed expenses of which the Town has little control.

I look forward to reviewing the budget recommendations with you at the upcoming Town Meeting.

Sincerely,

Matt Lutkus
Town Manager

Town of Damariscotta
Warrant for Fiscal Year 2019
Annual Town Meeting
For Period July 1, 2018 to June 30, 2019

LINCOLN, SS

STATE OF MAINE

TO: Jason Warlick, Constable for the Town of Damariscotta, in the County of Lincoln.

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the voters of the Town of Damariscotta, in said County, qualified by law to vote in Town Affairs, to assemble at the Damariscotta Municipal Building, 21 School Street in said Town, on Tuesday, the 12th day of June, A.D. 2018 at 8:00 A.M, then and there to act on Articles 1 and 2.

The polls for voting on Articles 1 and 2 will be open at 8:00 A.M. and will close at 8:00 P.M.

The adjourned meeting to act on the remaining articles in the Warrant will be resumed at the Great Salt Bay Community School, 559 Main Street in said Town on Wednesday the 13th of June, A.D 2018 at 6:30 P.M.,

ARTICLE 1. To choose a Moderator to preside at said meeting.

ARTICLE 2. To elect by secret ballot in accordance with the voter of the Town, the following officers:

One Selectman/Assessor/Overseer of the Poor (Three-year term)

One School Board Member (Three-year term)

One Sanitary District Trustee (Three-year term)

ARTICLE 3. To choose one Cemetery Trustee for a three-year term.

Selectmen nominate: Lorraine Faherty

ARTICLE 4. To choose four Budget Committee members for three-year terms, one Budget Committee member for a one year term, one Alternate Committee member for a three year term and one Alternate Committee member for two year term.

**Selectmen nominate: Richard Mayer, and _____ for three year terms;
_____ for the Alternate member three year term, and _____, for the
Alternate member two year term.**

ARTICLE 5. To act on the reports of the Selectmen/Assessors/Overseers of the Poor, Town Manager, Treasurer, Tax Collector, Town Clerk and other officials.

ARTICLE 6. Shall the Town vote to enact procedural changes to the existing Site Plan Review Ordinance of June 15, 2016? The first change (Section 10.H.1) is to clarify the conditions for a site plan application to become a preliminary plan application and to clarify how a preliminary plan becomes a final plan application. All preliminary site plan applications of 7,500 sq. ft. or more building(s) footprint(s) are required to hold a public hearing and site visit before they may become a final plan application to be voted upon for possible approval. The second change (Section 10.H.2) extends the period for a signed Notice of Decision from 7 to 15 days after the Planning Board makes a decision on a site plan application. By mutual consent the period may be extended to 30 days. The third change (Section 11) requires submittal of a fully compliant site plan application before an alternative site plan with waiver requests may be presented. A copy of this proposed ordinance is on file with the Town Clerk at Town Hall. The Board of Selectmen and the Planning Board recommend approval of this article.

ARTICLE 7. To see what sum the Town will vote to raise and appropriate for GENERAL GOVERNMENT:

ADMINISTRATION:	Board of Selectmen & Budget Committee recommend:	\$381,851
ASSESSING:	Board of Selectmen & Budget Committee recommend:	\$ 43,077

 Article submitted by petition: \$ 2,200
- ARTICLE 24. To see if the Town will vote to raise and appropriate the sum of \$1,155 for the provider agency New Hope for Women:
 Article submitted by petition: \$ 1,155

ARTICLE 25. To see if the Town will vote to appropriate from the Estimated Revenues Account \$ 777,050 to be applied to reduce the 2018 Tax Commitment:

GENERAL GOVERNMENT: \$ 537,250

INTERGOVERNMENTAL REVENUES: \$ 139,000

STATE REIMBURSEMENTS/TAX EXEMPTIONS: \$ 87,000

STATE REIMBURSEMENT-GENERAL ASSISTANCE: \$ 2,500

POLICE REVENUES: \$ 11,300

Board of Selectmen & Budget Committee recommend: \$ 777,050

ARTICLE 26. To see if the Town will vote to appropriate \$22,000 from the Maine Department of Transportation Local Road Assistance Program and transfer it to the General Fund as a revenue to be applied toward the Highway Department:

Board of Selectmen & Budget Committee recommend \$ 22,000

ARTICLE 27. To see what sum the Town will vote to appropriate from the Undesignated Fund Balance to be applied to reduce the FY 2019 tax rate:

Board of Selectmen & Budget Committee recommend \$ 150,000

ARTICLE 28. Shall the Town authorize the Board of Selectmen to negotiate and enter into a purchase/sale agreement with the Lincoln County Fire Chiefs Association for the Town's sale of land adjacent to the Fire Department at 27 Massasoit Drive, for the purposes of locating and constructing an emergency services training facility, and to execute any documents and take any action as may be necessary to complete the sale of this parcel, and to further authorize the Selectmen to do any and all things necessary to accomplish the purpose of this Article? The Board of Selectmen recommend approval of this article.

ARTICLE 29. Article submitted by Petition:

Shall the town of Damariscotta revise the 2016 Sign Ordinance: *107-4 Permitted Signs by District and Regulations (page 3) (f) Electronically (Digitally) Changeable Signs (page 6)

Revision requested:

Delete this section (f #1 through #6) in its entirety.

Currently reads:

(f) Electronically (Digitally) Changeable Signs

Changeable Signs shall conform to 23 M.R.S.A. §1914 (11-A). In addition:

(1) Changeable display area of a single sign shall be allowed up to 24 square feet within an overall changeable sign surface of up to 32 square feet per side (i.e., the digital display area may cover up to 75 percent of a 32 square foot overall sign).

(2) The highest point of the display of a changeable sign may not exceed a height of 20 feet above either the centerline of the nearest public way (if the public way is within 50 feet of the sign) or actual ground level adjacent to the sign, whichever is lower.

(3) Electronically changeable signs (that may change at any frequency but that do not flash) are allowed at gas stations to announce the current price of gasoline. Such signs require a permit from the CEO.

continued next page

(4) The display on a changeable sign may be changed no more frequently than once every 30 minutes, except for changeable signs at gas stations.

(5) When an electronic changeable sign transitions from one display to the next, it must change as rapidly as technologically practicable. The display is permitted to change through phasing, rolling, scrolling or blending. The display is prohibited from flashing.

(6) All electronically changeable signs shall be turned down to 50 percent or less of their daytime illumination between 11 PM and 7 AM.

in addition to:

Modify *107-6

Prohibited Signs (a) (page 7)

Currently reads: Electronically (Digitally) Changeable Signs are prohibited in all Districts except as expressly permitted in this Ordinance.

Change to:

(f) Electronically (Digitally) Changeable Signs

(1) Electronically (Digitally) Changeable Signs are prohibited in all Districts.

(2) All pre-existing electronically (digitally) changeable signs in C2 district, no matter their size, shall be turned off between 11PM and 7AM.

ARTICLE 30: Article submitted by Petition:

Shall the town of Damariscotta revise the 2016 Sign Ordinance: *107-4 Permitted Signs by District and Regulations (page 3) (d) Other Commercial (Highway) C2 District (page 5)

(5). re: hours of sign illumination permitted

Currently reads:

All electronically (digitally) changeable signs shall be programmed to be turned down to 50% of its maximum illuminating power between 11 PM and 7 AM.

Revision requested:

Delete this in its entirety.

ARTICLE 31. Article submitted by Petition:

Shall the town of Damariscotta revise the 2016 Sign Ordinance:

*107-4 Permitted Signs by District and Regulations (page 3)

(d) Other Commercial C2 District (page 5)

(4) re: manually and electronically changeable signs

Currently reads: One of the total permitted signs per Business on a property may be Manually Changeable or Electronically (Digitally) Changeable. Electronically (Digitally) Changeable Signs may be double-sided and free-standing or may be single-sided. Such signs may be embedded into and be a constituent part of a larger non-illuminated sign. (See 107-4 (f) for electronically (digitally) Changeable Sign requirements.)

Revision requested: removes all reference to permitting any Electronically (Digitally) Changeable signs, allowing for Manually Changeable (non-LED) only.

Suggested phrasing for substitution: One of the total permitted signs per Business on a property may be Manually Changeable.

ARTICLE 32. To see if the Town will authorize the Board of Selectmen to expend funds from the “Beck Buyout” Fund (current balance of \$18,000) for compensation plan increases resulting from current Police Officer Union collective bargaining negotiations. The monies, up to the maximum amount currently available in that Fund, would be transferred into the FY 2019 Police Department Budget to pay for these increases.

ARTICLE 33. To see if the Town will vote to set the first business day of October 2018 (October 1, 2018) and the first business day of April 2019 (April 1, 2019) when all 2019 taxes shall be due and payable in semi-annual installments and instruct the Tax Collector to charge interest at 8.00% per annum on all taxes unpaid after said dates.

ARTICLE 34. To see if the Town will vote to authorize the Tax Collector to offer a 2019 Tax Club Plan to taxpayers who pay the total amount of 2019 taxes by monthly payments from July 1, 2018 to May 31, 2019; who abide by the requirements of said plan; who shall receive from the Town, in return for such payments, full credit for such taxes paid without incurring any charge of interest. To be eligible for the Tax Club all 2018 taxes must be paid in full.

ARTICLE 35. To see if the Town will vote to authorize the Board of Selectmen, on behalf of the Town, to sell and dispose of any real estate acquired by the Town for non-payment of taxes thereon on such terms as they deem advisable and to execute quit-claim deeds thereon, provided the Selectmen give three consecutive weeks’ notice of their intentions to make such a sale through public advertisement in a local newspaper. The property may be sold back to the original owner for all taxes due, plus interest and all costs, without the advertisement requirement.

ARTICLE 36. To see if the Town will vote to authorize the Board of Selectmen to spend funds from various reserve funds as they deem necessary in accordance with the capital improvement program.

ARTICLE 37. To see if the Town will vote to authorize the Board of Selectmen to accept gifts of money, bequests, apply for and accept State and Federal Grants, grants from non-profit organizations on behalf of the Town for municipal purposes, including when necessary, the authority to authorize the signing of grant contracts, accept the conditions that accompany gifts of money, bequests, and grant funds, and to appropriate and expend gifts of money, bequests, and grant funds for the authorized purposes.

ARTICLE 38. To see what sum, if any, the Town will vote to authorize the Board of Selectmen to borrow or appropriate from un-appropriated surplus as they deem advisable to meet unanticipated expenses and emergencies that occur during fiscal year 2019. (Estimated balance on June 30, 2018: \$1,044,000)

Board of Selectmen recommends:

\$ 25,000

ARTICLE 39. To see if the Town will vote to authorize the Board of Selectmen to enter into multi-year contracts subject to annual appropriation at Town Meeting.

ARTICLE 40. To see if the Town will vote to authorize the Board of Selectmen to set the date, hour, and place for the next Annual Town Meeting.

ARTICLE 41. To see if the Town will vote to authorize the Board of Selectmen to dispose of Town owned personal property, under such terms and conditions, as they deem advisable.

ARTICLE 42. To see if the Town will vote to authorize the Board of Selectmen, on behalf of the Town, to expend money for General Assistance as needed.

ARTICLE 43. To see if the Town will vote to accept from the Massasoit Engine Company gifts of money and certain items of equipment to be used for the benefit of the Town and the Massasoit Engine Company.

ARTICLE 44. To see if the Town will vote to re-appropriate money from the sale of Town owned vehicles to the respective departmental vehicle reserve accounts.

ARTICLE 45. To see if the Town will vote to authorize the Tax Collector to accept prepayments of taxes not yet committed, and to pay interest at a rate of 0% (zero) as a courtesy to tax payers who wish to prepay some or all of their uncommitted taxes.

ARTICLE 46. To see if the Town will vote to set the interest rate at 4.00% (four percent) to be paid by the Town on prepaid abated taxes pursuant to 36 M.R.S.A (4.00% (four percent) less than the interest rates established by the Municipality.)

INDEPENDENT AUDITORS' REPORT

Board of Selectmen
Town of Damariscotta
Damariscotta, Maine

We have audited the accompanying financial statements of the governmental activities and each major fund of the Town of Damariscotta, as of and for the years ended June 30, 2017 and 2016, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the Table of Contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of the Town of Damariscotta as of June 30, 2017 and 2016, and the respective changes in financial position, and where applicable, cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Damariscotta's basic financial statements. The introductory section and combining and individual nonmajor fund financial statements are presented for purposes of additional analysis and are not a required part of the financial statements.

The combining and individual nonmajor fund financial statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

U.S. Senator

Dear Friends,

Representing Maine in the United States Senate is an honor.

I continue my work on the Senate Armed Services Committee, each year authorizing the funding required to build our military capabilities and ensuring that our service members are trained and equipped to defend our nation. I was pleased to be part of a bipartisan effort to enact a new law to simplify the appeals review process to reduce the backlog our veterans are facing, as well as a new law that provides critical funding to the VA Choice Program, allowing veterans in rural Maine to access services closer to home.

While my committee work is important, working to combat the opioid epidemic is one of my top priorities. Although Congress has made some important strides, much remains to be done to provide additional funding for prevention, treatment and enforcement. I am working with colleagues on both sides of the aisle to pressure the Drug Enforcement Administration to reduce the amount of opioids produced and to thwart the flow of fentanyl and other deadly drugs into our country.

I am very optimistic about the integrated, multiagency effort I led with Senator Collins to foster innovation and commercialization in Maine's forest economy. Through the Economic Development Assessment Team (EDAT) we are already experiencing increased federal investments that will strengthen our existing forest products industry and help support job creation in rural communities. Initiatives like Cross Laminated Timber, Combined Heat and Power, nanocellulose, 3D printing with biobased materials and other biobased products will mean that Maine's wood-basket will continue to be a major jobs and economic contributor for our future.

Finally, the coming year will continue the work of the Senate Select Committee on Intelligence in the ongoing investigation of Russian interference in the 2016 election. Our Committee has held seven public hearings and numerous classified sessions, reviewed tens of thousands of pages of documents and conducted hundreds of interviews. I remain focused on the security of our elections and committed to developing strategies to prevent interference by foreign governments in our democracy.

May 2018 be a good year for you, your family, your community and our great State.

Best,
ANGUS S. KING
United States Senator

U.S. Senator

Dear Friends:

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to share some key accomplishments from this past year.

Maine has the oldest average age in the nation. As Chairman of the Senate Aging Committee, my top three priorities for the Committee are fighting fraud and financial abuse directed at our nation's seniors, increasing investments in biomedical research, and improving retirement security. Following the Committee's investigation into skyrocketing prescription drug costs, I authored bipartisan legislation to foster generic competition, which was signed into law. The Aging Committee's toll-free hotline (1-855-303-9470) makes it easier for seniors to report suspected fraud and receive assistance. To support the 40 million family caregivers in the United States, I am proud to have authored the RAISE Family Caregivers Act to create a coordinated strategy to support family members who make countless personal and financial sacrifices to care for their loved ones.

The opioid crisis touches families and communities across our state. As a member of the Appropriations Committee, I fought for significant increases in funding to support community, law-enforcement, and public health efforts. In April, the State of Maine was awarded over \$2 million to fight this devastating public health crisis. Additionally, I have authored legislation to support grandparents and other extended family members who are raising grandchildren as a result of the nation's opioid epidemic.

Biomedical research has the potential to improve and save lives, and also supports good jobs at research facilities here in Maine. Last year, the Appropriations Committee approved a \$2 billion increase for the National Institutes of Health for the third consecutive year. This includes an increase of nearly 30 percent for research on Alzheimer's, our nation's most costly disease. As founder and co-chair of the Senate Diabetes Caucus, I work to raise awareness of the threats posed by diabetes, invest in research, and improve access to treatment options. My bill to establish a national commission of health care experts on diabetes care and prevention was signed into law in 2017.

We owe our veterans so much. Last year, I worked to secure the authorization of a Community-Based Outpatient Clinic in Portland to support the health care of Maine's veterans in the southern part of our state. I also worked to secure funding extensions to help veterans throughout rural Maine receive health care within their communities. I also worked to secure funding for housing vouchers for veterans to reduce veterans' homelessness.

Maine's contributions to our national security stretch from Kittery to Limestone. I successfully advocated for critical funding for projects at the Portsmouth Naval Shipyard for construction of an additional ship that will likely be built at Bath Iron Works. This funding will strengthen our national security and preserve great jobs in our state.

As chairman of the Transportation and Housing Appropriations Subcommittee, I worked to increase funding for the TIGER program that has provided Maine with more than \$122 million for vital transportation projects. For housing, I worked to provide \$160 million to help communities protect children from the harmful effects of lead poisoning.

Growing our economy remains a top priority. I supported the comprehensive tax reform bill because it will help lower- and middle-income families keep more of their hard-earned money; boost the economy; and encourage businesses, both small and large, to grow and create jobs here

in Maine and around the country. This legislation contains key provisions I authored that are important to Mainers, including preserving the deduction for state and local taxes, expanding the deduction for medical expenses, and enabling public employees such as firefighters, teachers, and police officers, as well as clergy and employees of nonprofits, to make “catch-up” contributions to their retirement accounts. I led the effort to ensure that the tax cut will not trigger automatic budget cuts to Medicare or any other programs.

A Maine value that always guides me is our unsurpassed work ethic. As of December 2017, I have cast more than 6,500 consecutive votes, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Lincoln County and Maine in the United States Senate. If ever I can be of assistance to you, please contact my Augusta office at 207-622-8414 or visit my website at www.collins.senate.gov. May 2018 be a good year for you, your family, your community, and our state.

Sincerely,
SUSAN M. COLLINS
United States Senator

U.S. Representative

Dear Friend,

I hope this letter finds you well. It's a privilege to share an update on my work to represent you and your family in Washington and in Maine.

Even though Washington is so bitterly divided these days, I've continued to look for bipartisan opportunities to address issues important to our state. Nearly all the bills I've introduced this Congress have Republican cosponsors.

One piece of legislation would help protect our state's economy by investing in working waterfronts. Another would allow Mainers to import less expensive prescriptions from Canada. And several bills would help our farmers capitalize on the fastest growing areas of agriculture—local and organic sales—by investing in research, increasing consumer access to healthy food, and improving farmer programs.

I'm happy to report bipartisan victories for our veterans as well. After working for years with Maine's Congressional Delegation, we were finally able to push a much-needed expansion of the Portland VA Community Based Outpatient Clinic through Congress. Legislation I introduced to help veterans who find themselves in debt to the Department of Veterans Affairs unanimously passed the House of Representatives. And full GI Bill benefits were extended to a group of veterans who had been denied them previously—an issue I've introduced legislation to address.

While I strive to find common ground with my colleagues on everything from rural broadband access to economic development, there are many areas where I will not compromise. I have serious concerns about direction the Trump Administration and its allies in Congress are taking our country. In so many ways, they have abandoned America's leadership in the world, made our country less safe, and are jeopardizing our future. They've weakened our health care system, rigged the tax code against working families, and endangered the environment. With one hand, they are taking away resources our families and communities need. With the other, they are offering generous giveaways to giant corporations and the wealthiest Americans.

Over the last year, I've received an unprecedented amount of feedback on these issues from my constituents. With their concerns and interests in mind, I have fought hard against these policies. I will continue using my role in Congress and the Appropriations Committee to hold the Administration and the President accountable.

Please keep in touch with your views or if there is anything I might be able to help you with. My office assists hundreds of constituents every year who have issues with federal programs or agencies. It's an honor to serve you.

Take care,
CHELLIE PINGREE
Member of Congress

Governor

Dear Citizens of Damariscotta:

For the past seven years as your Governor, my priority has been to make Maine—our people—prosper. Helping you keep more money in your wallet by reducing taxes has been part of that mission.

Too many Maine families are facing skyrocketing property taxes that strain household budgets. Our elderly on fixed incomes are particularly vulnerable to these increases. School budgets are often blamed for annual increases in property taxes. But there's another reason. A tremendous amount of land and property value has been taken off the tax rolls, leaving homeowners to pick up the tab.

As of 2016, towns and cities owned land and buildings valued at nearly \$5.5 billion statewide. Large and wealthy non-profits, such as hospitals and colleges, often escape paying property taxes on their vast real estate holdings—totaling more than \$5.1 billion statewide.

In Maine, nearly 2.5 million acres of land have been set aside for conservation by the federal and state governments and non-profit organizations, including land trusts. Municipalities are losing out on property taxes on an estimated \$2 billion in land that has been either removed from the tax rolls or prohibited from development—shifting the cost of municipal services to local homeowners through higher property taxes.

It's time to recognize the results of taking property off the tax rolls and identify solutions to reduce the burden on our homeowners. My administration's proposals have been met with staunch resistance.

In 1993, about 35,800 acres of land were documented as land-trust owned. That number has increased by an astonishing 1,270 percent. Land trusts now control over 490,000 acres with an estimated value of \$403 million. We must restore the balance. We will be working this session to ensure all land owners are contributing to the local tax base. It's time for them to pay their fair share.

I encourage you to ask your local officials how much land in your municipality has been taken off the tax rolls, as well as how much in tax revenue that land would have been contributing today to offset your property taxes.

If ever I can be of assistance to you or if you have any questions or suggestions, I encourage you to contact my office by calling 287-3531 or by visiting our website at www.maine.gov/governor.

Sincerely,
PAUL R. LEPAGE
Governor

State Senator

Dear Friends and Neighbors:

I would like to thank you for the opportunity to represent you in the Maine Senate. It has been an honor to work on your behalf to make our state an even better place to live, work and conduct business.

On August 2, Maine lawmakers finally adjourned for the year, after what proved to be the longest session in recent memory due to a brief government shut down over budgetary disagreements. While no state budget is ever perfect, the end product was a state budget that makes a record investment in our students, supports our communities and will tremendously benefit small businesses and our economy.

Perhaps the most significant action the Legislature took last year, as part of the biennial budget, was the removal of the burdensome, job-killing surtax that was already hurting small businesses, doctors and other professionals that we so critically need. In November 2016, voters sent a clear message that education funding was to be a priority of the 128th Legislature, and we heard that message loud and clear. However, the funding mechanism which was included in the measure – the surtax – presented a serious threat to the state's economy. This new tax gave Maine the ominous distinction of being the highest-taxed state in the country and primarily impacted small businesses, which are the backbone of our economy, taxing them at a rate that is higher than larger corporations are subject to pay. I am proud to say that after a lot of hard work and negotiating, thanks to our rebounding economy, we were able to support our local schools at a level we have never been able to before – without any additional taxation.

The Homestead Exemption, which provides much-needed property tax relief for homeowners, was also preserved in the budget with an increased exemption of \$20,000.

The Legislature also passed a measure to make Maine compliant with the REAL ID Act. As a result of this important new law, the federal government has granted Maine a waiver, meaning that Maine citizens will continue to be able to use their driver's licenses to board commercial airplanes and access certain federal buildings.

While we accomplished much, there is still a lot of work ahead of us this session. Again, thank you for entrusting me to represent you in Augusta. Please feel free to contact me if you need my help in navigating the state bureaucracy. I can be reached in Waldoboro at 207-832-4658, in Augusta at 287-1505, or by email at dana.dow@legislature.maine.gov.

Sincerely,
Senator DANA L. DOW

State Representative

Dear Damariscotta Residents,

It is an honor to continue my service as your State Representative this year. I have worked hard to advance legislation that benefits the people of Lincoln County and provide responsive constituent services.

This year the Legislature's agenda has been limited mostly to emergency bills and items left over from 2017.

The bills we have taken up cover a wide range of topics. We heard legislation to address recommendations of our opioid crisis task force, continued to wrestle with education costs and property taxes, revisited our approach to energy and technology infrastructure in the wake of recent storms and worked to achieve consensus on implementing the voter-approved citizen initiative legalizing the limited recreational use and sale of marijuana. We have also pushed hard to make sure the executive branch properly implements the MaineCare expansion overwhelmingly passed by voters last November. All of the above efforts and many more will continue until our scheduled adjournment at the end of April.

I have also sought out anyone with promising ideas about how to bring more jobs to Lincoln County, take care of our seniors, support our veterans, improve education and keep people warm during winter.

Just as in previous years, I have continued as co-chair of the bipartisan Veterans Caucus and as a member of the Legislature's Marine Resources Committee, where we made progress on improving the scallop fishery, marketing Maine lobster to the world and helping commercial fishermen with serious medical hardships.

This session I spent extra time on energy and environmental policy and have been pushing hard for my bill to help towns build microgrids – smaller localized power grids that are better suited to withstand weather events and are more likely to keep your lights and furnace going. Microgrids are an especially good fit for areas near a hospital. I am also proud that my resolution urging that Maine's coast be excluded from any new offshore drilling activity has drawn wide bipartisan support.

Whether we are dealing with the above issues or any other topic, I remain ready to work with my colleagues, regardless of party, to make sure we're doing the best we can for our entire district and all of Maine.

Please contact me if I can be of any help or if you want to discuss or testify on any legislation. My email is mick@mickdevin.org and my phone number is 975-3132. I also send out e-newsletters from time to time. Let me know if you would like to receive them.

Respectfully,
MICHAEL DEVIN
