CEMETERY
GR17

BACK MEADOW RD., DAMARISCOTTA, ME

- LEGEND:
- FIELD STONE
 - ENGRAVED STONE
 - STONE PORTION (WITH EPITAPH)
 - CORNER MARKER
 - OBELISK
 - DEPRESSION (LIKELY BURIAL)
 - ROCK PILE
 - STONE WALL

SCALE: 1"=10'

Overall dimensions are approximately 168' (N-S) x 108' (E-W).

Boundary walls are not parallel; shape simplified for mapping.

Row & Lot line placements located to accommodate stone groupings rather than creating consistent lot sizes.

Numbering begins in the NW corner because nearly all stones face west. Based on foot stones and family groups, the few facing east appear to have been repositioned, perhaps during previous restoration efforts.
