Dedication

Ann Pinkham

If you were to ask 10 people if they've heard of Ann Pinkham, 9 out of 10 will tell you 'Yes,' and how they all know her may vary from one degree to another. Some know Ann as their teacher, their parent's or child's teacher. Others know her as the lady that runs Lakehurst where they got married, or where the local Saturday night dances were once held. You may know her as a volunteer at Miles, or the election check-in lady, perhaps Ann served you pancakes at the campground where she volunteered as a member of the former Fire Fly Auxiliary group. In some fashion or another, Ann has most likely crossed your path.

Ann grew up in Waterville, where she attended and graduated from Mount Merici Academy in 1959. She went on to the University of Connecticut then to Thomas College where she obtained her Associates Degree as a Teacher in Business Education; however, not stopping there; Ann furthered her education at the University of Maine at Orono (UMO), graduating in 1965 with a Bachelor of Science Degree in Education.

Ann met Daniel Pinkham while attending UMO; the two married in May of 1965 and just celebrated their 55th anniversary! They have 3 sons - Daniel Jr., Jon, & Joshua. Dan & Ann raised their family in Damariscotta, the boys attended Great Salt Bay School, and graduated from Lincoln Academy. Dan is a member of the Massasoit Engine Company, our local fire department. Two of their sons, Jon & Josh, are also members, as well as 3 of their grandsons (the 4th grandson is only 8, but I'm sure we'll see his name on the roster soon). The family represents 3 generations of volunteer firefighters. Together they have 8 grandchildren who have also attended, are currently attending, or graduated from the local schools. Ann has attended thousands of sporting events throughout the years as they've watched their own children play, their grandchildren, and continue to support Lincoln Academy sports.

Ann has been a teacher at Vinalhaven High School, Wiscasset High School, Bristol Junior High School as well as teaching local Adult Education

classes. In 1977, Ann started working at Lincoln Academy, where she taught Business Education until retiring in 1993. Once retired from teaching, Ann worked for over 15 years at Miles Health Care in various aspects until she retired again, for real this time.

Ann is an active and valuable member of our community, having been a member of different community Boards and Committees for multiple decades. She has been the Director with Lincoln County Television (LCTV) representing Damariscotta for 10 years; a volunteer for Miles Memorial Hospital League for several years and continues to volunteer for the Miles Rummage Sale. She has served on several local Damariscotta committees: the Damariscotta Sesquicentennial Committee as the Secretary; the building committee for the “new” fire station on Massasoit Drive in the early 90s, as well as committee member for the renovation of the Old Castner School building transformation into the current Town Office and Police Department. She has sharpened her pencil time and time again as she’s volunteered on the Budget Committee for more than 10 years. When it was time to revamp the Town’s Charter, Ann was willing and eager to serve, helping to develop the Charter that is still in place today. If you attend the Annual Town Meetings and Elections, you know Ann is an avid member, always at the meetings and working the elections, all while crocheting the time away. She has worked every election since 2004 except for 2, once when her son Josh was running for Board of Selectmen and it would have been a conflict of interest, and once when our election clashed with her vacation, but it was Hawaii, so totally understandable!

Thank you Ann for all you do and all your help!

Board of Selectmen Annual Report

Greetings to the Citizens of Damariscotta,

On behalf of the Board of Selectmen, it is my privilege to inform you of the progress that the Board, Town staff, and the various committees and numerous volunteers have made during this past year. I thank my fellow Board members for their dedication to the many activities they participated in during the past year. We lost one Board member, Amy Leshure, who moved out of the area. Daryl Fraser was elected mid-year and is a welcome addition to the Board.

The Board appreciates the hard work of all Town staff who keep the wheels turning on a daily basis in a professional, courteous, and timely manner. Town Manager Matt Lutkus continues his tireless efforts across a wide range of activities involved in making improvements to the Town in a cost-efficient manner, and effectively represents the Town and its projects across the state. The Board also thanks the many residents who volunteer time and talents on various committees and boards throughout the year. The Cemetery Committee discovered a new Civil War veteran's grave site and arranged for a proper headstone; the Land Use Committee continued its work to improve ordinances; and the Public Safety and Accessibility Collaborative was formed to "assess, promote, advocate, and engage the community to create a series of connected sidewalks, pathways and bikeways to improve safety and accessibility." The commitment and dedication of the volunteers of these and all other committees of the town are greatly appreciated.

In 2019 we celebrated the 10th anniversary of Damariscotta's Heart & Soul project and the fifth anniversary of the Comprehensive Plan update. The increase in community engagement fostered by the Heart & Soul project contributed greatly to the Comprehensive Plan update, resulting in strategic long-term goals for the Town that are consistent with the values of its residents. Many of the projects that have occurred in recent years had their roots in those projects, and continue to guide smart development in Damariscotta. Sidewalks on Bristol Road from Main Street to Miles Street have been constructed, and plans are underway, in partnership with Lincoln Health, to make improvements on Miles Road. Damariscotta has received a major grant from the federal Economic Development Administration that will permit the Town to implement improvements to the Municipal Parking Lot and Waterfront Park, including the construction of public restrooms. A solar farm has been constructed on Damariscotta's landfill property that will help reduce electric costs for municipal buildings, and the Town has partnered with several other neighboring towns to install LED streetlights, another cost savings measure.

The Corona Virus hit Maine early in 2020, and the Governor called for a period of self-quarantine and the closing of businesses. While the Town Office was closed to foot traffic, the Town adapted quickly to implement measures to continue to provide services to its residents through a variety of measures. While not exactly "business as usual," the usual business of the Town was handled in an efficient manner during the self-quarantine, and gradually measures were put in place to work toward returning to full service as state regulations eased. At all times, the health and safety of Town staff and the public were first and foremost. During the self-quarantine period, the Town made additional financial resources available to Damariscotta residents in need, and the business community and residents alike joined together to do what was necessary to ensure the well-being of our community.

The Board of Selectmen thanks the residents of Damariscotta for your engagement in Town

Attendance Recorded by Clerk's Office

governance this year through participation on boards and committees, and your thoughtful input and insights at the workshops and hearings held throughout the year. It is only through your interest in keeping the Town informed of your concerns and your active participation that we are able to maintain the Town's values that we all hold dear.

Respectfully Submitted,
ROBIN MAYER, Chairman

Town Clerk's Office

In May 2019, Michelle Cameron resigned as Town Clerk in Damariscotta to accept a position with the Town of Newcastle. I was appointed as Interim Town Clerk by the Board of Selectmen.

The Town Clerk's office is responsible for the recording and preservation of vital records such as births, marriages, and deaths. Issuing certified copies of these records along with making corrections, additions, and deletions are all completed by the Town Clerk's Office in accordance with the State of Maine Office of Vital Records. All new Vital Records are accessed through the State of Maine Electronic Death Registration System (EDRS), Electronic Birth Registration System (EBRS) and Electronic Marriage Registration System (EMRS). These systems store all vital records electronically and has eliminated much of the need to store paper copies of such records in our town vault.

The Clerk's office is responsible for issuing dog, hunting and/or fishing, liquor, marriage, vending, and entertainment licenses. The responsibility of supervising all State and Municipal elections falls under the Clerk's office as well. Elections are held in the Municipal Building at 21 School Street, with polling hours from 8:00 a.m. until 8:00 p.m. These elections and annual and/or special town meetings could not happen without the generous help of our dedicated Damariscotta residents. I continue to call on the community members as election workers and they continue to assist us in maintaining the election process. I truly appreciate all of your continuing support! If you are interested in learning how you can assist with the elections, please contact me at the Town Office 563-5168 or rbartolotta@damariscottame.com.

This past fiscal year the Town held the following elections with the following voter turnout:

<u>Date</u>	<u>Type of Election</u>	<u>Ballots Cast/Voter Turnout</u>
11/06/18	Referendum/Municipal Election	1228
6/11/19	Annual Municipal Election	114
6/12/19	Annual Town Meeting	40

Marriage Licenses: You need to fill out a marriage intention form in front of a Town Clerk or a Notary Public. However, BOTH applicants must sign the official license in the presence of the Town Clerk, before the license will be issued. If you are a Maine resident, you must file intentions in the municipality where at least one of you resides. Non-Maine residents may file intentions in any municipality.

Voter Registration: New residents may register to vote at any time during the year, even on Election Day! Proof of identity and residency is required at the time of registration. Damariscotta has a total of 1897 registered voters, 749-Democrats, 464-Republicans, 84-Green Independent, 600-Unenrolled (formerly considered 'Independent').

Vehicle Registrations: Excise tax is required to be paid on all vehicles and most boats in the municipality you reside. These funds stay within your municipality. In order to re-register a vehicle, please bring proof of current insurance, your old registration and current mileage. To register a new vehicle purchased from a dealership you will need to bring the blue copy of the title application, proof of insurance, current mileage and proof that sales tax has been paid. (A brand new car will also require the window sticker from the dealership). For a person-to-person purchase, you are required to bring a bill of sale with the year, make, model, vehicle identification number, and dollar amount paid. If the car is a 1995 or newer you must have the title from the previous owner, with the back filled out. ***The State of Maine does not send reminder notices**

for renewal registrations.

Boat Registration/ATV/Snowmobile Registration: Damariscotta processes new and renewal boat, ATV and snowmobile registrations. For “new-to-you” registrations, please bring in a bill of sale listing the serial number, year, make, model and purchase price. For boat registrations, ME registration numbers are helpful if the boat was previously registered in Maine. Sales tax will be collected at time of registration unless purchased through a dealership. If purchased from a dealership, please bring proof of paid sales tax and bill of sale from the dealer. All boat registrations expire on December 31st and all snowmobile and ATV registrations expire on June 30th.

The Town of Damariscotta offers online registration renewals for Vehicle, Boat, ATV, and Snowmobile Registrations. Got to our website, www.damariscottame.com and click on the online services button.

Dog Licenses: All Dogs six months and older must have a license. Please bring proof of current rabies vaccination at time of registration. If the dog is spayed or neutered, we will need to see spay or neutering certificate. Dog licenses expire every year on December 31st, and a late fee of \$25.00 is imposed as of February 1st. This is the State of Maine law and not something the Town is able to waive.

Hunting & Fishing Licenses: Maine residents: must be a resident for at least 3 months to obtain a resident license. New residents must provide proof of residency for both license purchases. For hunting licenses, Maine residents must provide proof of prior license or proof of completion of hunters’ safety course. Any Nonresident is eligible to purchase a nonresident hunting license once proof of prior license, hunter safety course completion is provided.

Liquor & Entertainment Licenses: The Damariscotta Board of Selectmen require a public hearing on all new applications for liquor & entertainment licenses. Applicants are required to pay an advertising fee and attend the public hearing. Renewal applications can be brought into the town office to be signed by the Town Clerk or the Town Manager.

Licenses issued 7/1/18 ~ 6/30/19

ATV:	36
Boats:	238
Dog License:	144
Hunting & Fishing Licenses:	94
Liquor Licenses:	16
Snowmobiles:	31
Vendor License:	6
Entertainment Licenses:	6

Respectfully Submitted,
REBECCA BARTOLOTTA
Interim Town Clerk

Vital Statistics

BIRTHS

This year Damariscotta residents welcomed 14 babies to our town! The laws for vital statistics do not permit us to print the names of these new bundles. Congratulations to all!

Respectfully Submitted,
REBECCA J. BARTOLOTTA
Interim Town Clerk

Assessors' Agent

The real estate market in Damariscotta continues to be active. The town has earned certified ratio status with the State of Maine for the current fiscal year. The developed parcel ratio as determined by the state is 94%, falling within the guidelines to of certification.

Total Taxable Valuation – Real Estate	341,931,050
Total Taxable Valuation – Personal Property	8,622,000
Total Taxable Valuation	350,553,050

Since beginning with The Town of Damariscotta in August, we have been conducting a thorough review of the property records to ensure that the town's records are current and up to date. Over the coming months, a review of the building permits will be conducted. This will require onsite inspections to validate the progress on outstanding permits. When conducting the inspections, I will knock at your door and identify myself, I will also be wearing a safety vest and have photo identification. If you have any concerns please call 911, I will only be at your property to conduct official town business. Inspections will generally be conducted between 10am and 2 pm.

You are invited to contact the assessor's office if you have any concerns or questions regarding your property taxation. The primary goal of this office is to ensure that all property is properly and fairly assessed and that the tax burden is shared equitably amongst the town.

Respectfully,
MATTHEW MURPHY, Assessors Agent
JAMES MURPHY, CMA

PROPERTY TAX RELIEF

The following exemptions are made available to taxpayers at a local level. Applications are available at the assessor's office or online and are *due on or before April 1st*.

- **HOMESTEAD EXEMPTION** - To qualify, homeowners must be able to declare the property as their principal residence for at least the 12 months preceding the date of the application. Once the application is filed, the exemption remains until the owner sells or changes their place of residence.
- **VETERAN EXEMPTION** - Any veteran or the widow of, who served active duty during a federally recognized war period and, if discharged or retired under honorable conditions. The Veteran must have reached age 62 or must be receiving a pension or compensation from the United States Government for total disability, either service or non-service connected.
- **BLIND EXEMPTION** – Applicant must provide written proof from a medical doctor or eye care professional that they are legally blind.
- **BETE** – Certain businesses may qualify for an exemption on personal property tax for equipment first subject to tax on April 1, 2008. This is an annual application.
- **BETR** – Certain Businesses may qualify for reimbursement on personal property tax paid during the previous year. Taxpayers begin the application process by filing the form “801” with our office.

More information can be viewed on line at www.maine.gov/revenue/propertytax/propertytaxbenefits/

Cemetery Trustees

Covering the Period of February 2018 through January 2019

We continued to assist scores of people by phone, email, and in person with permits, sales, lot-ownership transfers, burials, stone care, history, and genealogy. We oversaw a dozen burials and the setting of eight new stones and three replacement stones, and we codified the process for determining successive burial rights after the lot owner is deceased. Some families kindly assisted us by providing copies of old deeds and other documents not previously on file with the Town, including a historically interesting 1878 receipt for a monument purchased from dealer F. D. March.

A dozen lots were sold, putting \$6,000 into the Town's coffers. By a vote at the June 2018 Town Meeting, all of that income was placed into the Perpetual Care Fund in an effort to build the balance into a self-sustaining account in the future. An unused double-lot in Bethlehem Cemetery was sold back to the Town, with the Town reimbursing the original buyer for the cost of the lot while retaining the original Perpetual Care payment. A \$1,000 bequest from the estate of Elizabeth Merry-Miller was gratefully received and added to the Perpetual Care Fund. In the course of assisting her attorney's office with that process, we discovered that her headstone bore the incorrect death year, prompting the estate to replace it with a corrected stone.

Considerable time was spent coordinating with FEMA to obtain \$6,553.32 in reimbursements for expenses incurred as a result of the October 2017 storm which damaged 11 headstones and a picket fence.

We are grateful for the responsible dog owners who keep their pets leashed in the cemeteries and clean up after them appropriately. We also appreciate those who are careful to complete the required permits in advance, which helps us keep accurate records. We were concerned by unsupervised children using Hillside Cemetery as a playground in the fall, and by sledding tracks found there in the snow in November. Sadly, we experienced the apparent theft of a metal SAR flag holder from the grave of Revolutionary War veteran Jonathan Russ in Knowlton-Russ Cemetery (GR40) over the winter. While dealing with that, we provided a correction of the site's name to the FindAGrave crowd-sourced website.

We prepared DIY instructions for families who choose to do their own cremation-urn burials. (It's not as simple or easy as one might think.) Unrelated, a 2003 urn vault surfaced in the Norris Yard, which we repaired and covered with additional soil.

Maps for all sites were completed and added to the Town website, in addition to paper copies being put on file at the Town Office. A second set of paper maps was provided to Skidompha Library's Genealogy Department for patron use when the Town Office is closed, and to serve as a backup copy. A metal map sign was installed in the Norris Yard, completing the map installations in the Town cemeteries.

Work continued on the database, with all names added for the Old Hodgdon Yard, Norris Yard, and Annex 1 portions of Hillside. More veterans were identified in the process, and flags were added as appropriate. A notebook listing all veteran flag placements in Damariscotta was prepared and provided to the American Legion, who found it useful as they set flags in all of the cemeteries for Memorial Day. The notebook will be updated each year as needed.

A presentation on Damariscotta cemeteries was provided to the Pemaquid Chapter of the Daughters of the American Revolution, which prompted the group to fund the repair of a DAR flag holder for a grave in the Norris Yard. We also provided the DAR with a list of Revolutionary War veterans buried in Damariscotta and their grave locations. The same list was subsequently provided to a researcher in Massachusetts.

ID badges were prepared for each Trustee, providing a quick verification when visitors are concerned about us being in a cemetery with a shovel, probe, metal detector, or other equipment. We appreciate the awareness of those who question us about such activities.

Hugh Priebe and Edie Parlin of DPW reworked the area in front of the Hillside receiving tomb so that the doors can be opened and water will drain away from the tomb. They also assisted with myriad other projects, including the reseeded of the area around the Walpole arch, hanging the signs on the picket fence, leveling stones whose tilt posed a danger to passersby, resetting fallen stones for whom descendants could not be located, and plowing to open Hillside Lane for a graveside service. A temporary employee, Jeff Paye, was added to the roster specifically to lift and level flush stones, starting with those of veterans; 80 such stones were completed in the fall.

After hitting ledge unexpectedly during a grave opening for a burial in Annex 2, we had ground penetrating radar (GPR) performed in the late fall. While the final report will not be ready until additional site work has been completed in the spring, initial indications are that about one-quarter of Annex 2 is unsuitable for full burials. Lots identified with sub-surface boulders or ledge either will not be sold at all, or will be sold with a deed restriction for cremation burials only. Discussions have begun about the possibility of installing a columbarium in the area most severely impacted by ledge. While the GPR firm was in town, we had them check some areas in Walpole-Huston-Woodward as well, and a number of unmarked burials were discovered. We were able to cross-reference the GPR data with drone images kindly provided by cemetery-neighbor Christina Sewall so we could prepare plans for the spring to search for headstones that may have fallen in years past and gone underground.

As usual, volunteers provided countless hours of work to maintain the Ancient Burial Grounds around town. Once again, Bob Harris and other Lions helped with several jobs, including installing site-name signs at each cemetery with funds for the materials provided by Damariscotta Historical Society. In one instance, an out-of-state descendant provided a donation earmarked for placing a sign at the cemetery where her ancestor is buried. The Society's annual silent auction raised another \$1,500, which also enabled us to deal with several trees that were posing a danger to veteran stones. Other volunteers included Matt Lutkus, who has become our resident expert for tablet-stone repairs and resetting; Adam Leeman, who provided manpower and a trailer to clear debris from three Ancient Burial Grounds; Hale McLean, who helped his grandmother Pat with work in Bethlehem Cemetery; Mac Ray who clears blow-down from the trail to Chapman-McAllister every spring; and our indefatigable "adopters" who quietly care for Ancient Burial Grounds throughout the year, despite the hazards of poison ivy, ticks, and brown-tail moth caterpillars: Steve & Karen O'Bryan, Josh Pinkham, Greg & Bonnie Kipple, J&H Landscaping, Damariscotta River Association, Bill Burlin, Bob Harris, George Dolengowski, Gordon Isleib, Larry Townley, and the Damariscotta-Newcastle Lions Club.

As is true year after year, the staff in the Town Office routinely makes our lives easier by cheerfully answering questions for us and for the public. We would be hard pressed to manage as many details as we do without the help of Jurate Barnes, Cheryl Pinkham, Michelle Cameron, and Rebecca Bartolotta.

LORRAINE FAHERTY
MARY "PAT" McLEAN
PATTI WHITTEN

Damariscotta Tax List for Fiscal Year 2020 (mil rate 16.10)

Central Lincoln County Ambulance Service Inc.

Residents of Damariscotta,

In 2019 our service responded to 1,730 emergency calls, an increase of 90 calls from our 1,640 emergency calls in 2018. While we have continued to see an increase in emergency calls, we have continued to see a lower number of BLS transfers which has sharply declined from 941 in 2015, to 81 last year. This has greatly decreased our revenues in the last four years, which has caused the financial contribution from the communities we serve to increase. While these financial request increases have been new for our agency, our costs to the taxpayers in each town still remains much lower than most other EMS agencies in the state of Maine.

In an effort to minimize our impact on the taxpayers we have been seeking several grant opportunities to purchase new medical technologies, as well as replace aging equipment. In summer of 2019 we were awarded a grant from the Burns Family Foundation that has allowed us to replace one of our four stretchers, as well as purchase McGrath Mac video laryngoscopes. Video laryngoscopes are tools for intubation of a patient that utilize a camera on the end of a laryngoscope, which feeds live video to a small screen on the handle of the laryngoscope. Video laryngoscopes are new to EMS in Maine, a technology that previously only existed in emergency rooms and operating rooms. This new technology will assist EMS caregivers in providing the best care possible to members of our community.

In an effort to replace aging ambulances, we have undertaken a new capital campaign. Our goal is to raise \$398,000.00 to replace two 2010 chassis ambulances. The new ambulances will be four-wheel drive, and have a more modern layout of the patient care compartment. The new ambulances will be much safer for the EMS caregivers, allowing them to remain seated and secured while having access to most equipment needed for patient care located within reach. The campaign began in November of 2019 and as of January 28th, 2020, the campaign has raised \$68,961.62.

We have continued to provide Community Paramedicine visits to members of our community for our sixth straight year. This program provides services to patients in their homes that include: at home blood draws, medical assessments, wound care, medication reconciliation, education and some point of care lab tests. The program is run by referral from your primary care physician or a physician you may see in the Miles ER. The program has demonstrated a positive impact on the patient's ability to manage medical conditions at home. If you or someone you know may benefit from these services, please contact your primary care doctor for more information.

I would like to thank Fire Chief John Roberts, and the Damariscotta Fire Department for being an essential partner in our effort to supply the quality Emergency Medical Service to the Town of Damariscotta. We look forward to working alongside members of the Damariscotta Fire Department to provide emergency care to the residents of Damariscotta again in 2020.

Respectfully,
NICHOLAS BRYANT
Service Chief

Police Department

Good day citizens of Damariscotta. 2019 was a great year for our department due largely to the continued reduction in violent crime in our community. The department continues to work hard at the reduction of crime in our community. The department handled 7,732 calls for service ranging from assisting citizens with fingerprinting to fatal motor vehicle crashes and everything in between. The staff stopped approximately 1,000 vehicles and conducted almost 3,550 property checks.

I am happy to announce that our agency is at full-staff with 5 full-time officers, 2 part-time officers, 1 full-time administrative assistant, and 2 seasonal parking enforcement officers. 4 out of our 5 full-time staff members are academy trained officers with one going to the police academy in May of 2020. This is a very hard feat to accomplish in today's environment as staffing levels are at an all-time low across the country. Not only are we fully staffed but they are top quality officers with a strong focus on the departments' vision of Community Policing.

A few partnerships I think our community should know about include the CLC YMCA. We have been very fortunate to be included in assisting in their food insecurities initiative including the "Fill the Bus" that takes place at various grocery locations in Damariscotta. They have allowed us to be part of their child care program and given us time with the kids to talk about issues involving bullying, caring, and being nice to others. This allows our office to build positive relationships with the children while they are young. We partner with several Damariscotta businesses to help raise money for the Special Olympics of Maine as well as any other community member in need. The department continues its efforts to educate our elderly community on scam and identity theft situations by presenting at local assisted living facilities. We continue to visit our local school and assist with bus safety week as well as teach alcohol and marijuana prevention to 7th and 8th grade students. Another large partnership is with Healthy Lincoln County. This is an amazing organization that specializes in substance use prevention in the youth population. They help facilitate trainings in the schools and help get parents involved with their vision. With their surveys and community involvement, our agency is better able to focus on immediate trends with youth involving substance use and get in front of the issue before it becomes a problem.

We are now in our 3rd year of being a host site for a peer to peer substance use support group. This group has upwards of 30 individuals who had substance use issues and are now in active recovery. Not only does our group help individuals with substance use disorders, but it is also a safe place where families go to get their questions answered about the disease and they can get their questions answered by people that have lived through it. I try my best to attend every meeting and make myself available to those in group that are looking to work in our community or need assistance with immediate health issues. The Damariscotta group is well regarded as the premier peer to peer group in the area and has a very high success rate.

The 2019 Pumpkinfest was another huge success. The event drew huge crowds and brought smiles from people around the world. Although there is a certain level of stress that comes with the event, I am happy to report there were no major issues or arrests as a direct result of the Pumpkinfest.

I would like to personally thank each and every citizen, business owner and employee that has supported our agency in the 2019 year. Our department gives each of you our best in everything we do. We will continue to find ways to include our community in our constant goal of reducing crime and making Damariscotta a wonderful place to visit and live. My door is always open and I look forward to chatting with each and every one of you.

Respectfully Submitted,
JASON WARLICK
Chief of Police

Massasoit Engine Company

To the Residents of Damariscotta, Board of Selectmen and Town Manager,

The Massasoit Engine Company continues to proudly protect the Town of Damariscotta with fire and rescue services, and offers this report for 2019. The Massasoit Engine Company, like many community service organizations, relies on local volunteers to serve and protect local residents. Our firefighters spend many hours protecting and serving this Town. We take great pride in protecting the community but need your help. We earnestly request that you consider joining us, there are jobs for everyone on the fire department, from helping with paperwork, volunteering for fund raising efforts all the way to interior firefighter and operating fire trucks. Please contact the Chief if you are interested in finding out more about firefighting and how to make a difference in the community you love and live in.

The Massasoit Engine Company is fortunate to have 16 active regular members and 2 active junior members. In 2019, one member joined our ranks. The junior program that was started in 2015 has helped bring several young members of the Town into community service. Of the eight individuals who have joined us through this program so far, we have been fortunate to still have five active, with three now being regular members. They make all of us firefighters and fire officers proud with their dedication and enthusiasm to learn and help the community. This program has been the best recruiting tool for the company so far, however it is difficult to hold onto these members when they come of age to move out on their own.

This year, we welcomed a new truck into our fleet. Damariscotta Engine 2 was put into service in February and was formally christened on June 26, 2019 with a wet-down ceremony. Firefighters from Damariscotta, Bristol, Bremen and Newcastle helped welcome the truck into service by spraying water onto the truck as it passed by. Our senior active member, James Hall, drove Engine

Engine 2 (2018) at the wet-down ceremony. It is equipped with a 1,500 gallon per minute pump, 1,000 gallons of water with a custom 5 man cab. The onboard generator will power Jaws of Life and the truck will carry all of the rescue equipment for the Engine Company as well as a full compliment of firefighting tools.

2 filled with engine company children as it passed through the ceremonial water curtain. As this truck was brought in service, old Engine 2 and Rescue 5 were retired and sold. Old Engine 2's last act on our service was to participate in the wet-down ceremony.

Engine 2 (2018) at the wet-down ceremony. It is equipped with a 1,500 gallon per minute pump, 1,000 gallons of water with a custom 5 man cab. The onboard generator will power Jaws of Life and the truck will carry all of the rescue equipment for the Engine Company as well as a full compliment of firefighting tools.

This has been another busy year, with our members responding to 118 calls. While the call number is decreased from last year, many of the calls were more significant than in the previous few years. We responded to 25 structure fires in the community, most of which were mutual aid.

I would like to thank our firefighters and their loved ones for their dedication to the Town this year. If you see a firefighter or one of their family members in public, please thank them for their commitment and work to keep the Town safe. This duty takes considerable time away from family and loved ones, and the families make equal contributions towards this effort. I am honored to lead such a great group of firefighters. I am especially thankful for the support of my wife, Kristen and sons Matthew and Thomas.

Officers of the Massasoit Engine Company for 2019

Chief / Foreman	John C Roberts	Deputy Chief	James Hall
1st Assistant Chief	Jon Pinkham	2nd Assistant Chief	Joshua Pinkham
Foreman of Pumpers	Robert Genthner	Training Officer	Christopher Hilton
Treasurer	William Brewer	Clerk	Steve O'Bryan
Trustees (3)	Frederick Brewer	Jon Knof	Dan Pinkham
Safety Officer	Jon Knof	Lieutenant	Chad Cowan

As we prepare for our 145th year of formally protecting the town of Damariscotta, it seems prudent to share some history of the Massasoit Engine Company. The name comes from our first handtub, Hunneman #400 was built by William C. Hunneman & Co. of Massachusetts and delivered in 1850. This started the proud history of firefighting and protecting the townspeople and surrounding community. There have been over 30 fire chiefs of the Massasoit Engine Company, with the full roster included in this report. Preserving our history is important and we have taken a step this year to help keep the history of the Massasoit Engine Company available for years to come. While the exact project will remain a secret until it is complete, a hint is it is tied by name to the second Chief of our company.

Foreman of Massasoit Engine Company
Fire Chief, Damariscotta

Road Commissioner

Weekly Tasks - Some of the department's tasks include: maintenance of the town's trash bins and benches which are throughout the town; checking and maintaining drains and culverts; road marking; sweeping of the town roads; maintaining Biscay Beach; and repairing road signs and pot holes.

Yearly Tasks - Shoulder work, ditch repair, yearly catch basin cleaning which is done in the early summer; dock removal to clean and repair before putting them back into the river; painting the parking lot and the two traffic light areas along with Main, Theater and Elm St. parking lots. Culvert replacement, which we try to do five locations a year; tree and brush removal along with shoulder work on those roads after storms and before paving; changing the town benches out as needed and repairing the old benches and placing around the town; building maintenance as needed; cemetery maintenance with filling low spots with loam and large tree removal.

Riverside Park - A new kiosk at River Park was installed. If you have not had the chance, please go have a look. We helped with the installation of grant posts by digging the holes and then installing the posts.

New Restrooms - With new restrooms in the works, the old barber shop was taken down and the cellar hole was filled with gravel. Hopefully, soon we shall have restrooms for visitors to our downtown area.

New Crosswalk Lighting - A new crosswalk lighting system was installed at the Coastal Marketplace/Mobius crosswalk. Another lighting system is to be installed by the Great Salt Bay school crosswalk in the near future.

New Street Signs - This is the second year of the installation of a new road and street name signs in the Lessner Rd./Egypt Rd and Bristol Rd. area, which should be completed by winter.

New Equipment - A drop shoot was made for the spreader, which made it so we could place salt on the sidewalks more efficiently. There is a learning curve as to make sure we use the right amount of salt when needed. But time wise, it is a great improvement.

Pumpkinfest - The Damariscotta Pumpkinfest & Regatta is growing with bigger crowds each year. We are now moving trash bins around to different events and helping with the pumpkin clean up after.

Future Projects - The Highway Department is working with Gartley and Dorsky Engineering & Surveying Firm to get estimates on potential areas that may need attention. Those projects include; drainage repair at Water Street /Cross Street, the Egypt Road replacement of two cross culverts at the Back Meadow end of Egypt Rd. which will help handle the spring flooding in that area. Also, Hodgdon Street/ Pleasant Street up the hill to widen and set the drainage underground. The Miles Street sea wall is getting ready for a full reconstruction project of both the wall and road.

HUGH W. PRIEBE
Road Commissioner

Great Salt Bay Sanitary District

Great Salt Bay Sanitary District (GSBSD) is a publicly owned, quasi-municipal utility organized to provide safe drinking water in Damariscotta and Newcastle, and to provide wastewater treatment services in the Towns of Damariscotta, Newcastle, and Nobleboro. The District currently has 1428 water customers and 713 wastewater users. Scott Abbotoni is the Water Division Manager and LeeAnna Libby is the Wastewater Division Manager.

Our mission is to provide safe drinking water, adequate fire protection and effective wastewater treatment. The District is committed to public health, customer service and environmental protection.

The Drinking Water Division's water supply is "Little Pond" a pristine 77-acre spring fed pond with an ultraviolet light water treatment system as a primary disinfectant and Sodium Hypochlorite as a secondary disinfectant.

The Welton Tank on Standpipe Road in Damariscotta and the Academy Hill Tank in Newcastle feed the Twin Villages water for fire suppression and quality drinking water.

In 2017 the Water Division replaced 1600 feet of 120-year-old cast iron pipe with new 8-inch H.D.P.E. pipe from Main Street to Lewis Point Road. This will help with water quality and increased fire flows throughout the water system.

The Wastewater Division's treatment facility for Damariscotta and Newcastle consist of three aerated lagoons with a capacity of eight million gallons.

In 2012 the lagoons were cleaned; aeration system was upgraded and the lagoon liners were inspected.

In 2016 an upgrade to the Plant's office, electrical and blower system was finished. In 2018 an equipment storage garage was erected at the Main plant..

The Damariscotta Mills area of Newcastle and Nobleboro has a small sand filter fed by septic tanks which are maintained by the District.

The Great Salt Bay Sanitary District's operations are carried out by five full-time employees and are overseen by an elected six-member Board of Trustees. Representing Damariscotta are William Brewer, John Gallagher, and Lewis Cameron. Newcastle Trustees are Alan Ray and Clayton Huntley and representing Nobleboro is Robert Whear. The Trustees meet the second Wednesday of each month at 5 p.m. at the District office located at 121 Piper Mill Road in Damariscotta. The public is encouraged to attend.

Office hours are; Monday – Friday 7:00am -3:00pm, for more information, please contact our Water Division at 563-3010 or our Wastewater Division at 563-5105.

Respectfully submitted,
SCOTT L ABBOTONI
Water Division Manager
LEEANNA LIBBY
Wastewater Division Manager

Nobleboro/Jefferson Transfer Facility

The Transfer Station, operated by Nobleboro and Jefferson, and under contract with Bremen, Damariscotta and Newcastle, provides for the disposal of most types of solid waste generated in the five towns. In 2019 our household waste, construction, demolition and bulky waste all went to Waste Management in Norridgewock, Me. We use the services of Lincoln County Recycling to recycle cardboard, newspaper, plastic and many other products. We also recycle our universal hazard waste (televisions, computer, fluorescent light bulbs, mercury switches and rechargeable batteries.)

I would like to recognize our employees Barry Howell - Manager, Brandon Achorn - Assistant Manager and Glenn Daiute transfer station attendant. Last year we lost Linwood Rideout as he had another job opportunity and we wish him well. Our employees continue to do a great job at keeping the facility clean and organized. In 2020 there will be some changes as Barry Howell slows down to get ready for his retirement. We will be looking to hire a new manager in the spring.

I hope your trip to the Transfer Station continues to be a positive experience

I would like to thank everyone who takes the time to recycle. This effort really helps us save money in the long run. We do have programs for recycling paint, food waste, metals, electronics, paper and cardboard. In 2019 we had a hazardous waste day for people to get rid of their hazardous chemical and other hazardous materials. We hope to do the same again this year. We will be advertising for this so be watching for it.

The outlook for 2020 is to continue our efforts to recycle as much as possible. We would like to see more people separating their food waste so we can compost this. It would take a lot of weight out of our mainstream waste. Everything you recycle helps reduce the amount it costs to put items into the mainstream trash.

For 2020 we were able to hold the cost of the five towns the same as in 2019. With the way the economy is, I feel Barry has done a great job in keeping the budget to a 0 % increase. This in return is a help to all towns.

The Transfer Station is open from 8:00 a.m. to 4:00 p.m., Tuesday through Saturday. The front gate is closed at 3:50 p.m. each night to allow time to close out the computer. We are closed on Sunday and Monday. This allows our staff to have two days off in a row.

We will continue to review our operations in effort to provide good service and the most efficient Transfer Station possible. We are interested in your comments and recommendations and will attempt to incorporate them whenever possible.

Respectfully submitted,
RICHARD SPEAR
Transfer Station Agent

Skidompha Library

Annual Report – 2019 – Damariscotta

This past year brought significant change to the library. I began my role as the new Executive Director on June 3, 2019. Thank you to Pam Gormley for her twenty years of service to this community as our previous director.

I am thankful to the Town of Damariscotta for its 2019 increased contribution to Skidompha's operating budget after 10 years of flat funding. We take public trust seriously, and have used funds granted to us to support literacy, promote education, and support small business growth to create a more prosperous Lincoln County. The town's contribution remains critical to maintaining our level of service for the people of Damariscotta.

We had a busy year at Skidompha. In 2019, your library...

- Had over 2,100 registered Damariscotta patrons.
- Circulated over 47,000 books and resources. We remain a valued source for borrowed books, audio books, large print books, public computers, and free high speed wi-fi access.
- Provided meeting, performance, and fundraising space to local nonprofits, community organizations, and small business owners.
- Brought high-quality lecturers to our region through our Chats with Champions series.
- Hosted exhibitions for dozens of local artists in our Carey Art Gallery and quilters in our Atrium.
- Hosted a Winter Community Read, featuring *One Goal* by Amy Bass.
- Offered free passes to The Portland Museum of Art, The Farnsworth Art Museum, The Boothbay Railway Museum, and a Maine State Parks pass.
- Introduced The Lincoln County News Digital Archive, which provides new access to historic issues of The Lincoln County News and our shared regional history.
- Partnered with Lincoln Theater to host the "Stories to Screen" program that provided free books to children, and offered free screenings of the accompanying movies.
- Offered genealogical consultations and preserved original historic documents and artifacts.
- Hosted free children's programming including: twice-weekly Story Times for young families, a summer reading program (attended by over 750 children!), Girls Who Code computer coding club, Resilient Girls Book Club, Junior Journalists writing program, arts and crafts, and more.
- Hosted free teen programming including: teen creative magazine "EPOCH," creative writing classes in partnership with The Telling Room, free food pantry for teens, arts and crafts, and summer reading suggestions.

We are grateful for your continued support as we maintain these essential and unique community programs and offerings.

With thanks,
MATTHEW GRAFF, Executive Director

Lincoln County Television (LCTV)

As Lincoln County Community Television (LCTV) begins its 31st year as the local community television station, THANK YOU to the residents of the Lincoln County communities who have financially supported our station throughout these years.

Originally the station was managed and funded by the municipalities of Damariscotta, Newcastle, Nobleboro, Waldoboro, and Wiscasset. In addition, community media service is provided to Alna, Bristol, Dresden, Edgecomb and Westport Island. In recent years we have received funding from Bristol, Edgecomb, and Alna and many local businesses.

Beginning as a totally volunteer organization, there is a need to keep up with changing technology. In 2004, the first part-time manager was hired. Increasing services to our Towns requires additional advanced equipment and paid personnel. Our talented volunteers and a small number of paid part-time staff are committed to quality programming.

We fulfilled one of our long-time goals in 2019 with an emergency back-up generator which will protect our equipment and ensure that we will be providing 24-hour broadcasting. We have done limited upgrades to equipment but we look to improve even more in 2020.

We look toward 2020 as a banner year for Lincoln County Television (LCTV)! We see a bright future. A change in leadership, an engaged Board of Directors, and some exciting new programming show great promise; these will add to our existing community bulletin board, local government meetings, high school basketball games, and the yearly coverage of the Pumpkinfest Parade and Regatta. Some locally produced shows are: WuzzUp, Spotlight on Seniors, Community Conversations, Gruesome Glenn's Friday Fright Night and in 2020-historical programming highlighting the State of Maine's bicentennial. Also planned is a wide range of community-interest programming that include nonprofit interviews and discussions with a variety of Town officials. General topics of interest will be discussed such as paramedicine, mental health issues, and the opioid problem to name a few.

LCTV is committed to forging new, stronger relationships with the Towns who support us. We have opened the lines of communication with Town leaders and welcome input and suggestions. In addition to the ongoing support of the Towns, there are plans for some fundraising events including an exciting concert series at the Lincoln Theater during the winter months.

Our primary goal for 2020 is to identify how we can better serve you. We are committed to showcasing our vibrant communities and our amazing history.

Currently, Town Government and other locally produced programs are also available streaming, as video on demand at www.lctv.org; and, of course, 24-hour programming on Channel 1301 for Spectrum customers and Channel 7 for Tidewater customers. Community members may contact LCTV's station via lctv1@lctv.org; writing to LCTV, 29 Sheepscot Road, Newcastle, ME 04553; or by phone 207-563-6338. The Lincoln County News publishes the weekly schedule on its television page.

Coastal Rivers Conservation Trust

In April 2019, Damariscotta River Association and Pemaquid Watershed Association joined together to form **Coastal Rivers Conservation Trust**. Coastal Rivers is a 501(c)(3) non-profit, membership supported, and nationally accredited land trust and conservation organization dedicated to preserving and promoting the natural, cultural, and historical heritage of the greater Pemaquid peninsula and Damariscotta River region.

Coastal Rivers has active programs in the areas of land conservation, stewardship, nature education, water quality monitoring, marine conservation and cultural preservation.

In 2019, Damariscotta residents benefitted from:

- **Public access to trails, natural areas and shorefront on Coastal Rivers' many nature preserves.** In Damariscotta these properties are open to the public for low impact recreation on the trails: Doyle Preserve, Huston Landing, Salt Bay Farm & Nature Center, Whaleback Shell Midden State Historic Site (which Coastal Rivers manages for MDACF). Other conservation areas in Damariscotta are: Castner Creek Community Forest, Oyster Creek and Paradise Pond. Several conservation easement properties in Damariscotta help to safeguard the scenic beauty of the region and maintain the health of Biscay and Muddy/Paradise Ponds and both the Damariscotta and Pemaquid River systems.
- **Coastal Rivers nature education programs** reached many Damariscotta residents during the past year. This included several school programs at Great Salt Bay School, as well as other area schools. A yurt to be used for outdoor educational purposes was erected at Great Salt Bay School in 2019. In addition, Coastal Rivers offered programs year-round that connect people of all ages with nature, from preschool, after-school, and homeschool programs, to school vacation and summer day camps, to workshops and walks and talks.
- **Water quality testing at the Biscay Pond swim beach.** Water samples were taken weekly all summer long from Biscay Beach to check for bacterial contamination to keep swimmers safe and healthy. Coastal Rivers also checks two other swimming sites: Bristol Mills swimming hole and at Pemaquid Beach. In 2019 the weekly water quality numbers were extremely good, with no safety alerts issued.
- **The Courtesy Boat Inspection (CBI) program** at the Biscay Pond beach and boat ramp seeks to educate boaters and keep invasive plants out of our waterbodies. The quality of the ponds and river affects recreation and waterfront property values. CBI is the first line of protection from invasive aquatic plants for the whole river system and its beautiful ponds. Thankfully, no invasive plants were identified in 2019.
- **The LakeSmart Program** provides free, individualized technical advice and information to waterfront residents about best property care and management practices to prevent erosion and to safeguard water quality.
- **Free guided paddles** on Biscay Pond, other regional lakes and ponds and along the coast from May through September with the Coastal Rivers Paddlers.
- **Information and resources**, including boating and fishing regulations, boating safety materials, lead tackle exchange, and loon habitat information. Annual "Ponders" gatherings for Biscay and Muddy/Paradise Ponds in Damariscotta and other regional ponds offer pond-side land owners the opportunity to share concerns and hear updates about conservation efforts related to the ponds.

Visitors are welcome at Coastal Rivers' many properties throughout the region. For more information about Coastal Rivers, call (207) 563-1393, email info@coastalrivers.org, or visit www.coastalrivers.org.

Damariscotta K-12 Education

Kim Schaff, Principal, Great Salt Bay Community School
Craig Jurgensen, Superintendent of Schools, AOS 93
Sharon Marchi, Chair, Bremen School Committee

Looking back at 2019, I am reminded that our schools must always be looking forward as we prepare our students to be “21st century learners” with the promise of making them “future ready” lifelong learners. We know that critical thinking, cooperation, communication, and creativity are essential for our students to succeed. To ensure our instructional practice includes these foundational skills, teachers at all levels and throughout all of our schools continually review and revise their curriculum and teaching practices. Professional development and growth is central to developing strong teaching skills. To that end, Central Lincoln County School System has formed a professional development committee for teachers and another for support staff. These committees work complementary to plan and present meaningful, current, targeted learning opportunities for all staff. In October, all AOS 93 staff attended the annual conference of the Association of Computer Technology Educators of Maine in Augusta. In November, a professional development day with sixteen different sessions focused on school safety with all staff gathering at GSB. All staff have also individually completed trainings on mandated topics including reporting abuse and neglect, student confidentiality, suicide prevention, civil rights, bullying prevention and harassment.

The vibrancy of our local communities and their support for our CLCSS schools is essential for the attainment of student aspirations and success. Maine law recognizes the critical role schools have in the lives of our children: “Compulsory education is essential to the preservation of the rights and liberties of the people and the continued prosperity of our society and our nation. Maintaining regular student attendance is necessary to achieve the goal of an educated citizenry.” It takes the commitment of many people to create and maintain a strong and effective school. Great Salt Bay Community School has many parents and community members supporting its mission and place in the town. Two recognized groups who provide core support are the Great Salt Bay Community School Board and the PTO. The School Board’s primary responsibilities are for budget, policy development, and oversight. The PTO works to provide support for many school and community enrichment activities with its organizing and fundraising. Additionally, Principal Schaff works diligently fulfilling her leadership role to ensure the school is well-staffed and focused on meeting the needs of all students with the most qualified professional staff available. Principal Schaff also ensures that GSB buildings and grounds are well maintained and cared for. Principal Schaff and I are very proud of the work our teachers, support staff, and administrators have done to enhance learning opportunities and achievement outcomes for all students.

GSB enrollment in October 2019 was 430 students in grades K-8. There were 28 Bremen students attending secondary programs including Lincoln Academy, Medomak Valley High School, Watershed School and North Haven Magnet School, as well as several students participating in home school programs.

School budgets provide the backdrop for telling the story of every school. How a school appropriates and uses its available funding translates to and defines what is important to the administration, teachers, support staff and the community because it represents what these groups want and need to provide for their students. Budget preparation is a complicated process. From one budget year to another, school administrators work with local officials and community members to

ensure that each school budget is adequate, equitable, and predictable and that it is developed with input from all stakeholders in a clear and transparent process.

Our work together in the schools and communities is complex, sometimes challenging, and yet unquestionably essential and rewarding. Together we make a positive difference in the lives of our students, their families, and the communities in which we live and work. We are increasingly coming together as a learning community to engage in expanding our shared commitment for improving the education we provide to our children. I encourage you to visit the AOS 93 and Great Salt Bay Community School websites (www.aos93.org) for current news and information about our students and school activities, as well as school policies, School Board meeting agendas and minutes. This website will also provide you with links to individual school websites and to useful information from numerous resources. Whenever you have a question or wish to become involved in your community school, please call me or Principal Schaff.

Respectfully Submitted,
 CRAIG JURGENSEN

Great Salt Bay Community School Grades K-8

Great Salt Bay Community School is a K-8 grade school serving the children of Bremen, Damariscotta, and Newcastle. The mission of the school is to provide a nurturing, safe, and enjoyable environment in which all children are challenged and inspired to pursue excellence in all aspects of their education.

At all grade levels our learning curriculum is guided by the Maine learning standards. As described by the Maine Department of Education, these “academic standards provide a set of clear expectations as to what students should know, understand, and be able to explain as they progress through each K-12 grade level.” These standards include: English language arts, mathematics, science & technology, social studies, health & physical education, and visual & performing arts. The strength of our educational programming is validated by our students’ performance on the district and state assessments, reports from high school educators, and most importantly the feedback from our students and their parents and guardians. Our teachers and staff strive to provide our students with an enriching, vibrant, 21st century education.

Recognizing that co-curricular and extracurricular programs are an integral part of the total educational program, our school offers students opportunities that include drama club, jazz band, math team, robotics club, 8th grade girls’ group, and yearbook. Our student athletes can participate in archery, basketball, cheerleading, cross country, field hockey, golf, soccer, softball, and track & field. In all of these sports, students have the opportunity to develop their athletic skills as well as good sportsmanship while playing against other schools in AOS 93, as well as the other schools in the Busline League.

Throughout the year, the school hosts a number of events to strengthen the sense of community within the school and with the families of GSB. In the fall we gather together for our Open House and PTO sponsored Welcome Back Dinner, the Harvest Fair, and parent/teacher conferences. In the winter we showcase our music and arts programs with the Winter Band and Choral Concerts, the Strings Concert, and the on-going display of our students’ artwork. In the spring we encourage families to get involved in Unplug It Week, the Bike Rodeo, spring concerts, and finally our 8th grade graduation.

Recognizing the importance of connecting our students to their community, our school has built strong community educational collaborations. These include the Coastal Rivers Conservation Trust, Farms Kitchen, Hidden Valley Nature Center, Kieve, Miles of Friends, Skidompha Library, the Twin Villages Food Bank and the CLC YMCA. Moreover, we pride ourselves in our efforts to give back to community.

Finally, Great Salt Bay Community School is fortunate to have an active PTO. The mission of the PTO is “to act as an organization that supports GSB students in their many activities and provide assistance to GSB staff in their numerous programs.” The PTO organizes fundraisers, including a Jog-a-thon in September, with all proceeds benefiting the school in the form of school-wide cultural events, classroom tools, student scholarships, and extracurricular events. The PTO provides parents the opportunity to learn more about what goes on at GSB, as well as information on issues and topics that are important to parents and students. In addition to the PTO, the school community benefits from the Friends of Great Salt Bay. This non-profit organization is specifically dedicated to supporting our school with a mission to “Enhance the Education of GSB students.”

Each year the Great Salt Bay Community School strives to make the educational experience stronger for its students. Our goal is to “Be Better Than Our Best.” Our students are blessed to live in a community that recognizes that supporting its public school is one of the most important investments of all. Together we are making our future stronger as a community and as a nation by educating our children. Thank you for your support of Great Salt Bay Community School.

Central Lincoln County (AOS#93) Adult and Community Education

CLC Adult & Community Education provided services to nearly nine hundred people in 2019. We offered the HiSET (formerly GED) high school equivalency diploma program, basic literacy and math instruction, college preparation classes in mathematics and English language arts, college placement testing, college and career advising, medical certificate programs and a wide variety of community enrichment classes for all ages. Except for our community enrichment classes and some of our medical certificate courses, all of our programs and services are offered at no cost to our learners.

During the 2018 – 2019 school year, we had twenty-two learners enrolled in our high school equivalency program. Before the year was out, twelve of them completed the program and earned a diploma! A graduation ceremony was held on May 30th that celebrated the effort and dedication of these remarkable honorees.

For the first time, we offered summer education hours for students to continue working on their high school equivalency programs without the usual summer break. Four students took advantage of this option and I anticipate their program completion within the coming year. Anyone who is seventeen or older and out of high school but without a diploma, should contact us to explore options and develop a plan. Our dedicated staff is ready and eager to provide instructional support and ongoing encouragement in order to help each learner reach his/her goals.

During the 2018 – 2019 school year, twenty-seven people accessed our college transition courses and services. Many of those are now enrolled in college or in a workforce training program of some kind. Anyone seeking support in navigating the college transition process, in meeting the academic placement requirements for college acceptance, determining college and career goals, or in understanding and completing college related paperwork/forms should contact us. Our college transition coordinator and instructional staff are ready to help with all of the above.

Approximately six hundred community members accessed one or more of our low cost, high impact community enrichment offerings in 2018 – 2019. Our partnership with the RSU 40 Adult & Community Education program enables us to provide a single point of access for information about classes throughout the Lincoln County area. Our partnership with LincolnHealth allows us to offer several medical certificate courses including Certified Nursing Assistant (CNA) at no cost and with an apprenticeship option as well, Certified Residential Medication Aide (CRMA), Heartsaver Adult/Child/Infant CPR/AED, and a Babysitters' Training Course. We are also partnering with The Academy of Medical Professions to offer a range of other health certificate programs via both online portals and face-to-face at locations in Topsham and Camden. These partnerships provide residents in our community with a greater array of educational and workforce certificate options than we've been able to offer in the past. Our most recent collaboration with Collette Travel has enabled us to offer our first ever overseas travel tour – to the French Riviera next September!

I am now in my third year as the Director of the CLC Adult & Community Education program and I continue to be amazed by the difference our programs can make in people's lives. The desire to learn and grow is thriving in Lincoln County and we are so very proud to be helping people make their dreams come true!

For more information about any of our programs and services, please visit our website: <http://clc.maineadulted.org>

Respectfully submitted,
PAMELA J. SPERRY
CLC Adult & Community Education
Director

Lincoln Academy

To the Residents of Damariscotta:

Greetings from Lincoln Academy! My name is Jeff Burroughs, and I began my tenure as Lincoln Academy's 44th Head of School in July of 2019. I am honored to write to you, the residents of our sending towns, to update you on current happenings at Lincoln Academy.

In September we welcomed 500 local students from 23 towns and 35 residential students from 14 countries around the world. This represents a drop in our residential program numbers, which was not entirely unexpected after we graduated 31 boarding students in the class of 2019. Meanwhile, local numbers are on the rise: for the second year in a row the ninth grade class has 150 incoming students, exceeding previous projections about declining local enrollment.

At the halfway point in our school year, the LA community is focusing on school climate and norms. We are actively engaging staff, students, and parents in discussing ways we can continue to support students in a safe and positive learning environment. Meanwhile classes, sports, and extracurricular activities remain in full swing.

In academics, more than 130 students take at least one Advanced Placement (AP) course each year. Many take multiple courses and sit for multiple exams. This year, 35 students are enrolled in vocational programs at the Bath Regional Career and Technical Center (BRCTC). Our teachers mentor students in independent studies in a wide variety of subjects from multivariable calculus to jazz piano, photography, and physics. About one third of the student body participates in music classes, and this year over 50 LA musicians qualified for District III, All State, and All State Jazz honors festivals. In visual arts, students have over a dozen courses to choose from in drawing, painting, ceramics, printmaking, and more.

About half of LA students participate in at least one sport and many are two and three-sport athletes. Last spring the girls tennis team won their second consecutive State Championship, and this fall the boys cross country team won the Kennebec Valley Athletic Conference Championship for the fourth year in a row. Several teams were also recognized for good sportsmanship awards. This year we are pleased to add a Unified Basketball team to our winter sports offerings.

Popular extracurricular activities include our State Champion Debate and Math Teams, Model United Nations, Outing Club, Special Olympics, and a wide variety of service and student-interest clubs. This year's musical theater production, *Guys and Dolls*, will hit the stage in March, and we are delighted that more than 50 students have been cast in the show, the biggest cast in over a decade. Our ATEC building is now open and staffed until 4 pm every weekday, and many students and community members are taking advantage of this state-of-the-art facility to make projects using our 3D printers, laser cutter, CNC machine, and other equipment.

In November we participated in a high school fair for middle school students who have a choice of high schools. We value the principles of school choice, and hope that the majority of AOS students as well as other students around the region will continue to choose LA. Without the continued support of our sending towns, Lincoln could not continue to serve generations of families in the midcoast region. Thank you for that support.

Sincerely,
JEFFREY S. BURROUGHS
Head of School

P.S. Please come to campus to see a game, concert, or play at LA! The calendar on our website (www.lincolnacademy.org) has details.

Planning Board, Town Planner & Land Use Advisory Committee

The Planning Board (PB) and the Land Use Advisory Committee (LUAC) have had a busy year. They attended a workshop led by then-Lincoln County Planner and current Town Planner (Planner) Bob Faunce on administration and interpretation of the Site Plan Review (SPR) Ordinance and new development concepts. The Planner and LUAC developed amendments to the SPR Ordinance, which were approved by the PB and the Board of Selectmen (BOS) and adopted at the 2019 June Town Meeting. Subsequent to workshops with the LUAC and the PB about the effectiveness of the Subdivision Ordinance and a review of new concepts in subdivision development, a new Subdivision Ordinance with provisions for Open Space Subdivisions was approved by both bodies and the BOS and also adopted at the June 2019 Town Meeting.

The PB approved a Conditional Use Permit (CUP) for 27 Main Street and the LUAC completed an updated draft of the proposed Historic District Ordinance. The Planner worked with the Town Manager and Town Attorney to develop a comprehensive set of amendments and licensing provisions for adult use and medical marijuana facilities for consideration by the BOS. Staff investigated inconsistencies in the provisions for the Medical Zone and proposed amendments that were approved by the June 2019 Town Meeting. The Planner researched the relationship between and treatment of marine uses in the Land Use and Shoreland Zoning Ordinances and evaluated the applicability of the concept of “complete streets” in the community. He assisted a property owner in filing an appeal to the Board of Appeals (BOA) and subsequently prepared an analysis of the appeal for the BOA and participated in the BOA’s hearing on the matter.

The Planner worked with the LUAC to develop recommendations for updated uses, dimensional requirements and performance standards in Land Use Ordinance. He reviewed potential housing development sites in the community and met with several housing developers. The PB conducted site visits to various locations in the community as part of its consideration of proposals before the Board.

The PB and the LUAC each held monthly meetings throughout the year. The Planner met regularly with the Town Manager, Code Enforcement Officer and Town Attorney on pending and potential legal issues, ordinances and development projects and participated in interviews with the Wall Street Journal and Maine Public on issues associated with climate change and sea level rise impacts on the community.

The Planner prepared zoning-related articles and explanatory comments for zoning amendments and ordinances for the 2019 Town Meeting warrant. He researched residential energy use in the community, evaluated sidewalk conditions in several neighborhoods and researched potential sources of grants to support community goals including working with MCEDD staff in support of an EDA grant to fund parking lot improvements. He also met with state officials and researched the grant history of the federally-funded recreational improvements at the YMCA complex and completed preliminary research related to the proposed town solar project off Standpipe Road.

Respectfully Submitted
BOB FAUNCE
Town Planner

Town Manager's Budget Message

Dear Damariscotta Taxpayers:

Included in the Annual Town Meeting Warrant is the Board of Selectmen's and Budget Committee's recommended Town Budget for Fiscal year 2021 (July 1, 2020 to June 30, 2021). In the current year, 30.5 percent of the property tax goes to fund Town services, 60.7 percent is spent on primary and secondary education and 8.8 percent pays for Damariscotta's share of County services. The total property tax mil rate for FY 20 is 16.1.

You will see that the overall recommended budget increase is 1.33 percent over the FY 2020 Budget, not including the overlay that will be approved at Tax Commitment. Due to an increase in revenue from other sources, the revenue that will be needed from property tax is not projected to increase. Another reason for the relatively low recommended increase is the higher amount that was set aside in the overlay during last year's tax commitment.

The only portion of the education budget included in the Town Manager's proposed budget is the amount that is requested for adult education. School District administration, secondary and primary school budgets are submitted to the Town Meeting legislative body separately. The recommended budget does not include the FY 2021 overlay that the Board of Assessors will determine as part of the Tax Commitment in July.

Under the revenue section of the budget, revenue sharing has been budgeted at \$212,800 based on a projection of revenues in the Biennial Budget approved as a State Statute last year. This Statute provides for State Revenue Sharing to return to 5 percent level over a two-year period, with 3.75 percent in FY2021 and the full 5 percent in FY2022.

Also, under the revenue section, I am recommending that the Town continue to utilize funds from the undesignated reserves to reduce the amount of a property tax increase for the coming year. The amount carried over from the undesignated fund balance this year is \$150,000. For FY2021, I am recommending that \$100,000 be carried over from this fund balance. I am estimating that the unallocated fund balance is approximately \$950,000.

The line item descriptions provided in the budget document itself will give the Board and the Committee the detail that makes up our \$2,888,791 recommended budget. This total does not include the County assessment that has been set at \$497,233.49. The major changes are increases in various line items for employee and contract employee compensation, the requested increase for ambulance services, increases in expenditures for the first full year of the cost for a management intern this summer, and the addition of a stipend for the individual who provides Cemetery administrative services.

During the coming year, it is recommended there be a heavy emphasis on capital reserves in addition to the continued pre-funding of future capital equipment expenses. This budget line by itself constitutes most of the requested increase for FY2021. The breakdown of recommendations for capital reserve allocations is provided in Article 13 of the meeting warrant. The Town's five-year capital plan will be available on the Town's website shortly after the Town Meeting.

The Town Charter requires that the Manager provide a report of the Town's current indebtedness in this transmittal message. The current debt stands at \$215,482.55 which is roughly \$106,381.46 lower than it was last year at this time and the lowest that it has been in more than a decade. The current debt is comprised of the two bond issues that were approved at a Special Town Meeting in November, 2016.

Although the property tax increase from current budget and this recommended budget is modest, the service levels that are funded by property tax dollars, fees and grants will continue to

provide an aggressive capital improvement program and compensation for a productive and highly committed staff, as well as provide for fixed expenses over which the Town has little control.

I look forward to reviewing the budget recommendations with you at the Annual Town Meeting.

Sincerely,
Matt Lutkus

Board of Selectmen & Budget Committee recommend: \$ 1,228,250

- ARTICLE 25.** To see if the Town will vote to appropriate \$22,000 from the Maine Department of Transportation Local Road Assistance Program and transfer it to the General Fund as a revenue to be applied toward the Highway Department.
Board of Selectmen & Budget Committee recommend: \$ 22,000
- ARTICLE 26.** To see what sum the Town will vote to appropriate from the Undesignated Fund Balance to be applied to reduce the FY 2021 tax rate:
Board of Selectmen & Budget Committee recommend: \$ 100,000
- ARTICLE 27.** To see if the Town will vote to set the first business day of October 2020 (October 1, 2020) and the first business day of April 2021 (April 1, 2021) when all 2021 taxes shall be due and payable in semi-annual installments and instruct the Tax Collector to charge interest at 9.00% per annum on all taxes unpaid after said dates.
- ARTICLE 28.** To see if the Town will vote to authorize the Tax Collector to offer a 2021 Tax Club Plan to taxpayers who enroll no later than July 30, 2020, who pay the total amount of 2021 taxes by monthly payments from July 1, 2020 to April 30, 2021; who abide by the requirements of said plan; who shall receive from the Town, in return for such payments, full credit for such taxes paid without incurring any charge of interest. To be eligible for the Tax Club all 2020 taxes must be paid in full.
- ARTICLE 29.** To see if the Town will vote to authorize the Board of Selectmen, on behalf of the Town, to sell and dispose of any real estate acquired by the Town for non-payment of taxes thereon on such terms as they deem advisable and to execute quit-claim deeds thereon, provided the Selectmen give three consecutive weeks' notice of their intentions to make such a sale through public advertisement in a local newspaper except that the Municipal Officers shall use the special sale process required by 36 M.R.S. § 943-C for qualifying homestead property if they choose to sell it to anyone other than the former owner(s). The property may be sold back to the original owner for all taxes due, plus interest and all costs, without the advertisement requirement.
- ARTICLE 30.** To see if the Town will vote to authorize the Board of Selectmen to spend funds from various reserve funds as they deem necessary in accordance with the capital improvement program.
- ARTICLE 31.** To see if the Town will vote to authorize the Board of Selectmen to accept gifts of money, bequests, apply for and accept State and Federal Grants, and grants from non-profit organizations on behalf of the Town for municipal purposes, including when necessary, the authority to authorize the signing of grant contracts, accept the conditions that accompany gifts of money, bequests, and grant funds, and to appropriate and expend gifts of money, bequests, and grant funds for the authorized purposes.
- ARTICLE 32.** To see what sum, if any, the Town will vote to authorize the Board of Selectmen to borrow or appropriate from un-appropriated surplus as they deem advisable to meet unanticipated expenses and emergencies that occur during fiscal year 2020. (Estimated balance on June 30, 2020: \$950,000.00)
Board of Selectmen recommends: \$ 25,000

- ARTICLE 33.** To see if the Town will authorize the Board of Selectmen to enter into an Interlocal Agreement with Towns of Newcastle, Bristol, South Bristol, Nobleboro and Bremen for the provision of ambulance services through Central Lincoln County Ambulance Service.
- ARTICLE 34.** To see if the Town will accept as a Town Way, a section of Heater Road extending approximately 1,000 feet from Biscay Road to Hutchings Road, with a right-of-way width of 50 feet, contingent upon the necessary acquisition of right-of way from the adjacent property owners.
- ARTICLE 35.** To see if the Town will vote to authorize the Board of Selectmen to enter into multi-year contracts subject to annual appropriation at Town Meeting.
- ARTICLE 36.** To see if the Town will vote to authorize the Board of Selectmen to set the date, hour, and place for the next Annual Town Meeting.
- ARTICLE 37.** To see if the Town will vote to authorize the Board of Selectmen to dispose of Town-owned personal property, under such terms and conditions, as they deem advisable.
- ARTICLE 38.** To see if the Town will vote to authorize the Board of Selectmen, on behalf of the Town, to expend money for General Assistance as needed.
- ARTICLE 39.** To see if the Town will vote to accept from the Massasoit Engine Company gifts of money and certain items of equipment to be used for the benefit of the Town and the Massasoit Engine Company.
- ARTICLE 40.** To see if the Town will vote to re-appropriate money from the sale of Town owned vehicles to the respective departmental vehicle reserve accounts.
- ARTICLE 41.** To see if the Town will vote to authorize the Tax Collector to accept prepayments of taxes not yet committed, and to pay interest at a rate of 0% (zero) as a courtesy to taxpayers who wish to prepay some or all of their uncommitted taxes.
- ARTICLE 42.** To see if the Town will vote to set the interest rate at 5.00% (five percent) to be paid by the Town on prepaid abated taxes pursuant to 36 M.R.S.A (4.00% (four percent) less than the interest rates established by the Municipality.)

Given under our hands at said Damariscotta, Maine this 4th day of May, A.D., 2020

Board of Selectmen
Town of Damariscotta
ROBIN MAYER, CHAIR
MARK HAGAR
JOSHUA A. PINKHAM
LOUIS F. ABBOTONI
DARYL FRASER

Code Enforcement Officer and Licensed Plumbing Inspector

I want to start my report with thank-yous to the Town Office staff and Selectmen for their support throughout my time out last spring and summer. I would like to recognize Jarrod Pinkham for filling in for me at a moment's notice.

During the fiscal year there were sixty-two building permits issued. There were forty-six plumbing permits issued.

They were for the following; (7) seven commercial permits, (4) four new houses, (1) one mobile home and (50) fifty for other types including, decks, garages, docks, sheds, additions, canopy, solar panels and remodels.

We issued (14) fourteen permits for new or replacement septic systems and (32) thirty-two interior plumbing permits.

The new development at 435 Main is under way and the Camden Bank is a nice looking building.

The Town has issued its first medical marijuana license to Greenport at 202 Main St. It is a renewal license. As far as store fronts, there are one medical and two adult use marijuana permits available at this time.

The Town will be inspecting for NFPA 101, the life safety code. This will allow us to issue occupancy permits for new construction and major remodels or additions to structures.

Any building in the Shoreland Zone needs to be permitted. Outside of the Shoreland Zone each property is allowed one unpermitted outbuilding as long as it meets setbacks and is under (100) one hundred square feet.

Any new business that comes to Town or relocates within the Town needs to notify the Town Office and may need a conditional permit or go through site plan review. Business owners should contact the Town or Code Officer when there is a change in tenants.

A reminder: any new or temporary sign needs to be permitted.

Respectfully submitted,
STAN WALTZ
Code Officer
Building Inspector
Plumbing Inspector
Shoreland Zone Officer
E-911 Addressing Officer

Town Manager

It is my pleasure to summarize for you some of the highlights of the past fiscal year.

A high priority for our community that is shared by businesses, residents and visitors alike is the preservation of Damariscotta's unique New England character. It has both a friendly, welcoming atmosphere and the enviable combination of historic village and rural landscape. The Board of Selectmen and Town staff are committed to preserving these attributes.

During the past year, there was a strong emphasis placed on making sure that our downtown area retains its historic nineteenth century character. The first initiative was and continues to be drafting an ordinance that will protect historic buildings from demolition or major exterior renovations without any type of review process. The second ongoing focus has been on garnering the necessary funding to maintain the public infrastructure in the downtown waterfront area. This work will include the reconstruction of the municipal parking lot, the storm drain system and the sanitary sewer lines. Part of the waterfront improvement efforts are the construction of a downtown public restroom and safe pedestrian access. During the year the Town received a very generous private donation of \$1 million for the parking lot reconstruction as well as individual and business donations totaling more than \$320,000 for the new restroom. Town staff are currently trying to leverage these dollars as the local match for significant Federal and State grant awards.

In response to strong resident sentiments, the Board of Selectmen placed two issues on Town Meeting Warrants. The first was a prohibition on single-use plastic bags at retail establishments. The second was the legalization of commercial medical and adult-use marijuana establishments. Both ballot issues were approved by the voters. While many may believe that Damariscotta's prohibition of single use plastic bags made only a marginal difference in consumer litter, there is a widely held view that Damariscotta's actions combined with those of more than a dozen other communities prompted the successful State legislation on single use plastic bags that will take effect this Spring. The enactment of ordinances that permit commercial marijuana establishments within limited areas of town is consistent with the Town's status as a regional commercial center.

As a regional service center community, Damariscotta is the location for many worthwhile tax-exempt organizations that make use of public facilities and services. In its efforts to limit the cost of public services to local taxpayers, the Town continues to aggressively seek out State and Federal funding for local projects. In addition to the waterfront-related grant applications referenced above, the Town received final approval of \$884,000 in Federal and State funding for the Bristol Road Sidewalk and Drainage Project. The Town also received grant funds to assist in our efforts to sustain its shellfish industry and maintain its floating pump-out station and received private donations to upgrade the Town Clock, purchase a new fire truck and install a security camera system adjacent to the Town boat launch. Through successful lobbying efforts by state-wide municipal associations, Damariscotta taxpayers are benefiting by the restoration of revenue sharing back to its previous levels and the increase of the Homestead exemption on property tax.

The Town continues to benefit by taking a regional approach to address issues that are common to other communities in Lincoln County. The Town shares the Code Enforcement function with the Town of Waldoboro, shellfish conservation and harbor management are administered jointly with the Town of Newcastle and more recently, Damariscotta, Newcastle and Bristol have been working jointly on a number of projects including conversion of street lights to much more efficient LED lighting and cooperative efforts with regard to the ambulance service. Animal control and shellfish warden services are also administered on a regional level with several other communities and the County.

Two very important membership organizations with which the Town has been involved this past year are the Midcoast Economic Development District and the Maine Service Center Coalition. Within our community the Town's close working relationships with the Coastal Rivers Conservation Trust (formerly the Damariscotta River Association and the Pemaquid Watershed Association) and the YMCA and LincolnHealth/Miles Hospital have all proven to be in the best interests of all organizations. The Lincoln County Regional Planning Commission also continues to serve as a valuable resource for the Town.

During the year, there were a number of changes in Town Hall staffing. Becky Bartolotta moved into the Town Clerk position, Heather Dube joined us as our new Tax Collector and Bob Faunce joined the staff as Town Planner. The assessing department is now staffed on a contract basis with Matt and Jim Murphy of Murphy Appraisal Services. Town Hall staff along with dedicated employees in our Fire, Police and Public Works Departments comprise our team of helpful, resourceful and dedicated employees ready to serve the public.

In closing, I would like to thank the many citizens and businesses who have made Damariscotta a leader among small communities and, more importantly, have contributed to making our town such a wonderful place to live, work and enjoy some of the best quality of life amenities that Midcoast Maine has to offer.

Sincerely,

A handwritten signature in cursive script, appearing to read "Matt Lutkus". The signature is written in dark ink and is positioned to the right of the word "Sincerely,".

MATT LUTKUS, Town Manager

U.S. Senator

Dear Friends,

The beginning of a new year provides the opportunity to reflect on the progress of the past 12 months. If you've been watching cable TV, you might think that every waking moment of 2019 in Washington has been consumed by divisive, partisan issues – and while there's no shortage of those debates, there have also been opportunities for bipartisan cooperation. You sent me to the Senate to make the most of those opportunities, so as we enter into the New Year, I wanted to take a moment to update you on my efforts to work with members of both parties to make life better for the people of Maine.

One of my most important priorities this past year has been emphasizing preventive healthcare. Maine's distinction as the oldest state in the nation brings us wisdom, of course – but it also creates unique challenges, particularly relating to healthcare. The key to addressing these obstacles is being proactive, because the cheapest, safest medical procedure is the one that doesn't need to happen. That's why I've introduced legislation to incentivize healthier living, expand mental health screenings, and help more Americans access regular check-ups. We're making progress, but we've got a long way to go – and I'd like your help, because I know that the best ideas are the ones that come from families and communities on the front lines of these challenges. To strengthen this effort, I convened a policy forum on prevention in Bangor in October, which has already given me exciting new ideas that I'll carry with me into 2020. If you have additional thoughts on encouraging preventive healthcare, please share them with my office.

This year has also continued the growth of Maine's forest products industry – a key focus of my work to revitalize Maine's rural economy and communities. We've seen significant investment in mills across the state, creating good jobs to support rural Maine. I'm also pleased that the investments aren't just in our mills – the industry is thriving because of its commitment to innovation. We're fortunate to have the University of Maine's top-notch researchers exploring cutting-edge ways to use our forest resources, including capitalizing on the rise of 3D printing technology with the world's largest 3D printer. Combining this work with ongoing federal support, our vast forests, and Maine's dedicated workforce, I know that the future of this industry is bright, and I'll continue working to support it on all fronts.

I'm proud of all we've accomplished together this year, but even as I reflect on all that we've achieved, it is challenging to not think of the work left undone. It sometimes can be discouraging to watch these important priorities hang in limbo, but fortunately for me, encouragement is never far. After all, I get to live in Maine – which means I get to count Maine people as my neighbors and friends. I'm always struck by the kindness that our citizens show not only to me, but also to each other. This focus on collaboration and compassion is an inspiration, and it powers my efforts bring a little bit of Maine common sense to Washington. Thank you for all you do to for our state – Mary and I are deeply grateful, and we hope that 2020 will be a good year for you, your family, your community, and the State of Maine.

Best Regards,
ANGUS S. KING JR.
United States Senator

U.S. Senator

Dear Friends,

As 2019 ends and 2020 begins, I am pleased to report that Congress made progress on a number of issues important to Maine families despite the polarization in our country.

In a major win for surviving military and retiree spouses to whom we are deeply indebted, I was proud to co-lead the repeal of what is often referred to as the “Military Widow’s Tax,” an unfair offset of survivor benefits that has prevented as many as 67,000 surviving spouses—including more than 260 from Maine—from receiving the full benefits they deserve.

The high cost of health care and prescription drugs continues to be a top issue for families and seniors. To provide continued relief for more lower- and middle-income individuals, I led the charge to extend for another two years the medical expense tax deduction that I included in the 2017 tax law. Without this extension, nearly 20,000 Mainers and millions of Americans with high medical expenses, including many with preexisting conditions, would have faced an increased tax burden. In other good news, the CREATES Act I cosponsored became law. It will prevent pharmaceutical companies from blocking access to a sufficient supply of brand-name drugs needed for the studies that allow less expensive alternatives to enter the marketplace.

Improving people’s health and wellbeing remains my priority. On a per capita basis, Maine has the highest incidence of Lyme disease in the country. In August, I held a Senate hearing at the University of Maine’s Tick Lab on this growing public health crisis. A comprehensive public health strategy to combat this epidemic is needed, and the new law I authored will do just that.

In addition, I helped champion another \$2.6 billion increase for the National Institutes of Health, our nation’s premiere biomedical research institution, including significant boosts for Alzheimer’s disease and diabetes research. Last year, NIH funded more than \$111 million for research at 14 Maine institutions.

To help prepare the graduates of Maine Maritime Academy, I secured \$300 million for a new training ship, which will ensure rigorous instruction for MMA students for decades to come.

Significant federal funding was approved for work at Bath Iron Works and Portsmouth Naval Shipyard. Funding appropriated by Congress will pay for three new destroyers, make a down payment on an additional ship, and finance infrastructure improvements at PNSY.

As Chairman of the Transportation and Housing Appropriations Subcommittee, I have led efforts to improve our nation’s crumbling infrastructure and ensure that Maine’s housing needs are addressed. For Maine’s roads, bridges, airports, and seaports, tens of millions in federal funding will help make urgently needed upgrades and improve safety. Funding will also support housing assistance to low-income families and seniors and aid communities in reducing homelessness among our youth. The Community Development Block Grant program will assist numerous towns and cities in our State.

The Aging Committee I chair has continued its focus on financial security for our seniors. A new law I authored will make it easier for small businesses to offer retirement plans to their employees. Our Aging Committee’s Fraud Hotline fielded more than 1,200 calls this year. Congress passed a new law to crack down on robocallers who are often the perpetrators of these scams. And a new law I authored will expand the IRS’ Identity Protection PIN program nationwide to prevent identity theft tax refund fraud.

At the end of 2019, I cast my 7,262nd consecutive vote. In the New Year, I will keep working to deliver bipartisan solutions to the challenges facing Maine and the nation. If ever I can be of assistance to you, please contact one of my state offices or visit my website at www.collins.senate.gov. May 2020 be a good year for you, your family, your community, and our state.

Sincerely,
SUSAN M. COLLINS
United States Senator

U.S. Representative

Dear Friends,

I hope this letter finds you well. It's a privilege to represent you and your family and I am thankful for the opportunity to update you on my work in Washington and Maine.

In 2019, I was honored to work with my colleagues to pass hundreds of bills that address everything from fighting climate change to raising the minimum wage. And while Congress has become an increasingly partisan place, I was proud to continue my habit of reaching across the aisle, introducing a number of bipartisan bills and cosponsoring even more.

On the House Appropriations Committee, I worked to support programs important to Maine, such as rural broadband investment, Head Start, PFAS clean up, and shipbuilding at Bath Iron works. Further, I firmly believe we need to make substantial investments in all aspects of our infrastructure, from safe drinking water and modernized schools, to upgraded highways, transit and rail. From my seat on the Appropriations Committee I advocated for increased funding for the BUILD grants program which funds investments in transportation infrastructure by states, local governments, and transit agencies. I also pushed for increased funding for the Community Development Block Grant Program, our national park system, local and organic agriculture, election security, and the Land and Water Conservation Fund.

Since my time in the Maine State Senate, lowering the cost of prescription drugs has been one of my top priorities. This year I introduced two bills that would help Americans afford their prescription medications. I also voted for a bill that would allow the Centers for Medicare and Medicaid Services to directly negotiate prices for certain drugs. I look forward to continuing this important work in 2020 so Americans are no longer faced with the choice of picking up prescriptions they desperately need or putting food on the table.

I am sure this coming year holds many challenges and opportunities for our country, and I promise that the interests and principals of Mainers will continue to guide my work. If there is anything my offices in Washington or Maine can do to be of assistance - whether you, your town, or your organization is applying for a grant; you're facing an issue with a federal agency; or if you'd just like to share a thought or opinion - please do not hesitate to reach out.

Best wishes,
CHELLIE PINGREE
Member of Congress

Governor

Dear Friends:

It was the highest honor of my life to take the oath of office to become Maine's 75th governor. Over the next three years, I will continue to do everything in my power to make Maine the safe, beautiful, prosperous state we all want for our children and grandchildren.

During my first year in office, I directed the implementation of the voter-approved Medicaid expansion, allowing over 40,000 Maine people to gain health care coverage. We added state-guaranteed protections for people with pre-existing conditions, passed a prescription drug reform package, and restored the Maine Drugs for the Elderly and Disabled program, covering an additional 1,800 seniors. And we continue to work on strategies to bring down the cost of health care for small businesses and others. I also signed an Executive Order directing my Administration to develop effective opioid prevention efforts in schools, make Narcan more available, increase medication assisted treatment, train recovery coaches, and expand drug courts.

Protecting Maine's environment and tackling climate change are key priorities of my Administration. I am committed to increasing Maine's Renewable Portfolio Standard to 80 percent by 2030; improving our modes of transportation; weatherizing homes and businesses; and reaching 100 percent renewable energy by 2050. By embracing the green technology of the future, we will reduce the impacts of climate change, create good-paying jobs, preserve clean air and water, and protect our state's farming, fishing, and forestry industries.

The biennial budget provided more revenue sharing, more homestead reimbursements, and more disaster assistance for towns - which all together will result in relief for property taxpayers. It invested \$115 million in education and school renovations, and we are working toward Pre-K for every 4-year-old, increasing post-high school options that result in a valued credential, and making sure that every able adult is working. Further, I, along with government agencies, small business owners, entrepreneurs, economists, and hard-working Mainers, developed a statewide economic development plan, the first in nearly 25 years. We will diversify our economy, empower innovators, and attract young, talented people to live, work, and raise their families here in Maine.

It is time for new, dynamic ideas that will change Maine for the better. I welcome your ideas. We are all in this together. We all want Maine to have a beautiful environment, healthy people, and prosperous communities.

Thank you,
JANET T. MILLS
Governor

State Senator

Dear Friends and Neighbors:

March 2020

Let me begin by thanking you for allowing me the privilege of serving in the Maine Senate. I am honored that you have put your trust in me and can assure you I will continue to work tirelessly on your behalf.

As I write this, Maine and the rest of the world is in the midst of a pandemic as we battle COVID-19. Practicing safe social distancing and other directives we have never experienced before are essential to mitigate the spread of the virus. In keeping with these guidelines, unfortunately I cannot go about my usual visits throughout our communities and interacting face-to-face; however, I will continue to stay in touch by mail and social media as a means of fulfilling my desire to represent your interests at the State House.

Though we have accomplished a great deal in the past year, there is still much more to be done. More than ever, maintaining the prosperity that you have built over the last several years tops the list. We can do this by holding the line on government spending, doing our best to stay out of the way of local businesses so they can thrive as a result of their own hard work, and making sure government is the most fiscally responsible steward of your tax dollars. These will continue to be my priorities over the upcoming months as all Mainers work to recover from the unprecedented events of the last several weeks.

My colleagues elected me as Senate Republican Leader, and I have used the position to listen to my fellow Senators' ideas and viewpoints. Together, we have done our duty to ensure the best interests of all Maine citizens. I also serve on the Marine Resources Committee, which has jurisdiction over the state's commercial marine fisheries management, including the processing and sale of marine fish, shellfish and aquaculture. More recently I was appointed to the Energy, Utilities and Technology Committee. As the sponsor of one of Maine's most comprehensive solar bills, I enjoyed working with the members of this panel.

Again, thank you for electing me to serve you in the State Senate. Please feel free to contact me at 287-1505 or Dana.dow@legislature.maine.gov if you have comments, questions or if you would like assistance in navigating our state's bureaucracy.

Sincerely,
DANA DOW
State Senator

State Representative

Dear Damariscotta Residents,

It continues to be an honor to serve you in the Maine House of Representatives. I have been working hard on your behalf to provide responsive constituent services, be your advocate in Augusta and pass legislation that improves life in our district and in our state.

This legislative session took an unusual turn as a result of COVID-19. While the second session of the Legislature generally runs through mid-April, we all agreed to end our session on March 17. This was done so as to keep to the Center for Disease Control's social distancing guidelines and keep staff, constituents and our communities safe.

Before adjourning, my colleagues and I passed emergency legislation to help Mainers through the evolving COVID-19 crisis. Among other things, we included provisions to temporarily expand unemployment insurance benefits; empower the state Department of Education to waive certain school-day requirements and ensure students continue to receive needed meals while schools are closed; allow remote participation in municipal meetings; establish a consumer loan guarantee program to help eligible Mainers access low- or no-interest loans; and authorize the Governor to prohibit utilities from terminating residential electric and water service during this period. We additionally designated at least \$11 million in state funding to further respond to COVID-19. These items are separate from the many steps being taken by Gov. Mills to address COVID-19. While I am no longer in Augusta, I remain in close contact with the administration and am working to provide relief for our community.

In addition to our COVID-19 efforts, the Legislature passed a \$73 million supplemental budget that raised rates for direct health care providers, increased the state's pre-k-12 education contribution by \$38 million, invested in transportation projects and more, all while adding another \$17.4 million to the "Rainy Day Fund." We also passed a bond in the amount of \$105 million for transportation needs and \$15 million for broadband access. This will be sent to voters in July for final approval.

On top of these critical actions, we achieved some big successes this session. We passed an affordable housing tax credit that will help us build 1,000 more affordable housing units over the next eight years. We put new safeguards in place to prevent tragedies like last year's devastating explosion in Farmington. And we passed a package of health care bills aimed at driving down costs and increasing accessibility for all Mainers.

There is certainly more we'd like to do. It is our intention to return to Augusta and pick up the bills we were not able to finish once it is safe to do so. Until then, I am proud of what we have been able to accomplish for Maine people.

Please contact me if I can be of any help or if you want to discuss or testify on any legislation. My email is mick@mickdevin.org and my phone number is 975-3132.

Respectfully,
MICK DEVIN
State Representative
